REMOTE LEARNING - GUIDANCE

We would like to take this opportunity to thank you for your patience and support whilst we start our Remote Learning. We are all learning together and reflecting on what is working well and what we need to do to improve.

We appreciate that if you have more than one child, that children in your household may be sharing a device. This is the reason we are delivering pre-recorded lessons so that the children can access the device when it suits them, if they are sharing. It is also not ideal for children to be on devices for the whole day. This gives families, with more than one child, the whole day to ensure the child has accessed the tasks.

After the initial rollout this week, we would like to highlight the following:

- Please ensure that your child is fully dressed during Registration and their feedback sessions. They should NOT be in pyjamas
- The parent/ carer does not need to sit with the child during the live sessions. You may want to be in the room but you do not need to be seen on the screen as other children will be part of the session
- Please ensure that your child only joins with their Charville school account. If they use another email address, such as a parental address, they will not be admitted into the session
- Please ask your child not to click on 'Turn In' until they have completed the task
- If your child is late to the session they may not be allowed to join the session
- Remote learning will not take place on Friday afternoons
- Children can access Google Classroom on platforms such as Xbox or PlayStation. ***Please click on the guide which details how to access these:***

This guide will detail how to access Google Classroom or Microsoft Teams via a games console.

Again, many thanks for your continued support and if you have any questions with regards Remote Learning please do not hesitate to contact the school via the following email address: office@charvilleacademy.org.

Yours sincerely
