25th January 2021

Dear Parents/Carers,

Many thanks for all of the support you are giving your children in this current time.

As you know during the current closure we are continuing to use Google classroom to aid remote learning opportunities for our pupils. With the lockdown that occurred in January we had to move to Remote Learning for the majority of children with immediate effect. We have continued to review our processes and are aware we may need to continue beyond the next few weeks so we have had to create a Remote Learning Agreement for the children to agree to.

We have ensured that our procedures regarding remote learning and video technology are compliant with GDPR and are monitored through the school. This will provide protection to both staff and pupils, when engaged with the online platform.

Please follow the link in this letter and complete the agreement with each of your children. You will need to complete one for every child.

We ask that you complete these by Friday 29th January so that your children may continue to engage with the Remote Learning that Charville Academy is providing. If you are unable to complete this form it may mean that your child will not be able to use Google Classroom and access remote learning. If you have any queries please email office@charvilleacademy.org.

As part of our celebration of Remote Learning your child's work may be a feature in our newsletter.

Yours sincerely

Mrs N Kelly
Headteacher
