End of Term Newsletter - 31 March 2021

Today marks the end of spring term and once again what a term it has been. It started with the majority of children learning from home and getting to grips with online registration, feedback and pre-recorded lessons. This was a difficult time for many and we send our deepest condolences to the families that suffered bereavements during this time.

Thankfully the children returned to school on 8th March and once again face to face learning resumed. We all remain very hopeful that we will continue in this way as restrictions across the country plan to ease.

I would like to thank you all for the positive feedback we have received and to those that have fully adhered to our risk assessment to ensure that we continue to keep the children and staff safe.

Next term will begin with the current risk assessment in place and this will only be amended if and when government guidance for schools is updated.

Please note the following changes from Monday 19th April:-

All morning gates will close at 8:50 am. This is still double the amount of time that was normally given and gives us an opportunity to ensure staff on duty can return to their teaching commitments on time.

Nursery, Reception, Yrs 1 & 2 pupils will be dismissed at 3.00 pm
KS2 classes will continue to be dismissed at 3.10 pm. **KS2 parents will be allowed on school grounds just before 3.10 pm.**

**THANK
YOU!**

We are an Enhanced
Values Based
School

When school reopens on 19th April we will be focusing on the values of Courage and Resilience.

Courage is explained as being confident enough to do what you believe in.

Resilience is about bouncing back from difficult times, setbacks and other significant challenges.

All recorded assemblies will be focused on these values during the month of April.

Well done to the children who were awarded the ambassador certificate on Monday.

ATTENDANCE

On 8th March we welcomed all the children back to school and attendance returned to being mandatory.

We aim for a target of 95% attendance each day and in recent weeks this has been a challenge.

Self-isolation has not affected this figure so we hope that it will improve as we move into summer term.

Attendance Matters

Every student. Every day.
