Dear Parents / Carers

21st June 2021

PERSONAL, SOCIAL AND HEALTH EDUCATION PROGRAMME - YEAR 6 PUPILS

As part of our Health Education Programme, this term the children in Year 6 will be learning about the body and how it works.

An important aspect of this programme is sex education, and a series of programmes will be shown to the pupils. These programmes deal with many aspects of adolescence and adulthood in a sensitive and informative manner.

In addition to this, we will also be dealing with the issue of bullying and will be showing the children a video on this subject. The video has been produced for older children and deals with the effect that bullying can have on others, including sensitive issues surrounding the subject.

The lessons will commence on **Monday 5th July at 1:45pm** in the Year 6 block. If you **do not** give permission for your child to participate, could you please put this in writing and give this to your child's class teacher by Friday 2nd July.

If you have any queries related to the programmes or any other aspect of the Health Education Programme, and personal & social development programme please do not hesitate to contact me.

Yours sincerely

Mrs F Said

Year 6 Leader
