

### CHARVILLE PTA

We have been privileged to have had a very strong PTA for many years. At the end of this year, two very active PTA members will be leaving as their children are both starting secondary school so they will no longer be Charville parents. In order for the PTA to continue we will have to have new members. **If new members do not come forward we are at real risk of the PTA folding.**

This would mean that the events they organise and run would no longer be available and these include:

- ❖ **The Year 6 Prom**
- ❖ **The school discos**
- ❖ **School cake sales**
- ❖ **Movie nights**
- ❖ **School raffles**
- ❖ **The pancake sale**
- ❖ **The summer fete**
- ❖ **Winter Wonderland**

Without an active PTA these events will not go ahead in the same way.

**If you are interested in joining the PTA please speak to a member of staff who will be able to give you more information.**

## Parent Consultation Evening

Wednesday 23<sup>rd</sup> March is Parents' Evening; please note a different set of dates has been issued to the parents of Purple Class.

We are offering either face-to-face or virtual appointments and hope that you have been able to book a slot for your child/ children via the Google Form, which is in the letter.

If you need any support please ask a member of staff.

## Thank You to our Reception Parents

Thank you to all the parents that attended the reading workshop on Thursday. Research tells us that daily reading with your child has a positive impact on their overall education.

## Red Nose Day

Today is Red Nose Day and donations can still be paid via Parent pay.

All the children wore their own clothes to show their support for the charities that are supported by this national fundraiser.

## We are an Enhanced Values Based School

This week we continued to focus on the values of Cooperation and Peace.

We have reintroduced Headteacher's Tea Party and it was lovely to see this week's ambassadors in their own clothes on Tuesday at Tea Party talking about these values; particularly at this time as the war against Ukraine continues.

This week's assembly was an opportunity to look at these values, once again and to consider how we can show cooperation and peace towards others.

Please support these values at home and if your child asks questions regarding Ukraine please try and support them.

11-20 March  
British  
Science  
Week  
2022

This week, at school, we have launched British Science Week.

<https://www.britishsienceweek.org/>

All classes are focussing on growth and children will be creating a poster to demonstrate their knowledge and learning during the week.

This week's assembly was an opportunity to look at the impact Science has on the world and the work of scientists. We explored the stereotypes that can exist around who scientists are and discussed that anyone can aim to be what they want to be.

### Community Governor Vacancy

We currently still have a vacancy for a Community Governor to join our experienced Governing Board.

This cannot be a parent of a child that attends the school but can be a member of the local community.

If you know of anyone, including a grandparent, that might be interested then please ask Mrs Kelly for more information.

### Reading Certificate

At Charville we believe that English is the foundation of the children's curriculum throughout the school.

To promote this we installed a Reading Vending Machine in our canteen. The vending machine works like any other with the exception that it is filled with books! On Monday morning, each year group chooses one child who has shown to be a Reading Champion over the week who is then presented with a Reading Champion Certificate during our Pupil of the Week assembly.

The Reading Champion receives a golden token to use in the vending machine at lunch time to retrieve a quality text of their choosing. The following children received the Reading Champion certificate this week:

- Reception - Rayyan
- Year 1 - Ryan
- Year 2 - Rose
- Year 3 - Jasmin
- Year 4 - Jaskirat
- Year 5 - Adam
- Year 6 - Summer

### SCHOOL COUNCIL

School Council are starting some fundraising for resources for the playground. As it is Mother's Day next weekend they have been creating some small hand painted gifts for children to purchase for 50p. They would appreciate children bringing in 50p from Wednesday onwards if children would like to buy a gift for their mums. School Council members will sell these in class.
