Ramadan 2022

The holy month of Ramadan began on Friday 1st April for our Muslim community and continues for 30 days.

During this time Muslims grow spiritually and become closer to Allah and their loved ones. This is achieved through fasting and practicing self-restraint (one of the pillars of Islam).

During this time Muslims fast from dawn until sunset each day. If your child is currently fasting please do make us aware.

We have been made aware by local residents, that some children and parents are accessing a pathway on the Heatherwood estate that links Blake Close to Charville Lane.

This is private property and should not be used as a "cut through" to get to and from school.

Please access Charville Lane on the public pathways around the Heatherwood Estate.

We are an Enhanced Values Based School

April is the month of Courage and Resilience.

Courage is explained as: To be confident enough to do what you believe in.

Resilience is defined as: Bouncing back from difficult times, setbacks and other significant changes.

This week's assembly was an opportunity to introduce and explain the values to the children.

We also focussed on the crisis in Ukraine and how the people have had to show immense courage and resilience since the end of February.

Next week assembly will be based on Ramadan.
