Governor Vacancies

We currently have vacancies for Parent Governors and Community Governors (who cannot be parents but can be other associates or relatives) to join our board.

The role of a Governor is ideal for anyone looking to drive school improvement and be part of this professional established board.

If you are interested, or know of anyone that is, please speak to Mrs Kelly who can give you more information.

Our Clerk to Governors (Governance Professional) is also no longer able to continue in this role so if you are interested in this opportunity please speak to Mrs Kelly.

Specialist Resource Provision at Charville Academy Consultation.

We are planning to open a Specialist Resource Provision (SRP) for up to 16 children with an EHCP and autism.

The provision will be built on what was the main school's Year 1 corridor and we will keep you updated.

The full consultation is now open and closes at 12 noon on 3rd October. This has been emailed to all families and is available on our website, which explains how to respond.

DEDICATION

During the month of September our normal work around the values has been focussed on the death of Queen Elizabeth II and the period of national mourning.

Next week's assembly will see us return to our normal assemblies and focus on Independence and Dedication.

In October we will focus on the values of Pride and Precision.

SMSA Vacancies (12.5 hrs/week and 6.25 hrs/week)

We currently have vacancies for two lunchtime members of staff. If you are interested in these opportunities please see the school website for more information.

Please contact school and ask to speak to Mrs Finnan, for an application pack.

Swimming

Children in Years 5 and 6 are currently having swimming lessons in our onsite pop up pool. Please ensure your child has their swimming costume, towel, swim hat and flip flops in school each day for their lesson. As stated in the original letter, children who are learning to swim will have more lessons than those that can swim.

If you need any support with swim kit please speak to your child's teacher.

Parent Consultation Evening

Parent Consultation evening will be held in school on Wednesday 5th October.

You will have received a letter regarding this today. In the letter is a link to the booking appointment form. Please click on the link and select an available time slot.

If you have more than one child at school you will have received more than one letter and need to follow the different links in each letter.

Please note that all appointments are face to face in school so that you have the opportunity to see your child's classroom and meet the teacher in person.

Attendance

Attendance this week has been below the target figure of 95% each day. This is being affected by unauthorised holiday and sickness.

Please ensure we have permission to administer liquid paracetamol as we go into cold and flu season.

MACMILLAN
CANCER SUPPORT

WORLD'S BIGGEST COFFEE MORNING

On Tuesday 27th September we will be holding a coffee morning in the Lower Hall at 9am in support of MacMillan Cancer Support.

It would be great to see as many of you as possible for this fundraiser and, during the coffee morning, there will be information given based on school priorities for this academic year.

It will also be an opportunity to gather your views on what is working well and what we could do to improve further.

We are asking for donations of cakes and biscuits to be sent into school on Monday 26th September and we will be selling these at the coffee morning. If we have any donations left we will hold a cake sale at the end of the school day.

Thursday 6th October – School Census Day and Special Menu

Thursday 6th October is national school census day. This is the day in the school year where pupil attendance determines school funding for next academic year. Please make sure your child is in school on this day. We have a special school menu for this day and ask that all children in Reception, Year 1 and Year 2 register for their entitled free school meal.

We will also be catering for all children in Years 3-6 and your child is encouraged to try a hot lunch on this day.
