Netball

On Thursday evening the netball team played against Guru Nanak and Hayes Park and won both matches.

Well done to the team, particularly Hasfa and Sujipnana who were standout goal scorers and thanks to Mr Quinn for organising this event.

School is closed on Friday 21st October as it is a Training Day and will reopen on Monday 31st October after half term.

We are Enhanced Values Based School

During this Monday's assembly we looked at black history within the UK.

It is important that all children know about all aspects of History and the impact that people have had on our current lives.

We looked, specifically at the life of Frank Bailey and the contribution he made to society as well as the prejudice he faced along the way.

Frank Bailey came to the UK and became Britain's first black fire fighter, despite the lack of diversity within the fire brigade.

Windsor Castle

Last week Year 2 went on an exciting trip to Windsor Castle, where we were lucky enough to explore the state apartments and visit Elizabeth II's burial site in St George's Chapel. Children were really respectful in the chapel and were amazed to be visiting such a piece of history in the making. Children also took part in an interactive workshop and learnt a lot about castles and how people used to protect castles. Some pupils got to wear armour and defend a replica castle. Sana in Year 2 said "I loved wearing the guard's helmet because it was so much fun wearing a costume and I felt like a real-life guard!".
