End of Term Newsletter - 16 December 2022

Today marks the end of term. Thank you for all your feedback and support.

Huge thanks to Mrs Aitken for all the Christmas shows and performances.

On behalf of all the staff and governors we wish you all a very Merry Christmas and best wishes for 2023.

We will see you all on Wednesday 4th January.

In the event of snow and ice we will always aim to open school as normal.

Pathways will be cleared for entry and exit.

The school website will be updated and a text message issued if the weather is so bad that we are unable to open.

This decision will only be made if the conditions are too hazardous for travel and staffing is significantly affected.

Please DO NOT call the school to check if we are open as this blocks the phone lines and prevents other calls from being answered.

We thank you in advance for your support.

We are an Enhanced Values Based School

Our values for January 2023 are determination and challenge.

We explain determination as always trying your best in everything you do.

Challenge is defined as trying new things to make progress.

During the month of January we will be explaining these values to the children through assemblies and the curriculum.

Please continue to discuss the values with the children at home.

Attendance

This week attendance has been affected by the bus strikes as well as illness.

Next term we are hoping for less disruption which should support the overall attendance figure.
