

BECK THEATRE'S SUMMER YOUTH PROJECT

A two-week theatre masterclass for those aged 9-19!

Do you want to experience what it's like to be a part of a stage show?

Whether you are a budding actor, singer or want a hand in working backstage - the Beck's Summer Youth Project might be for you!

The aim of Summer Youth Project is to provide local young people with the opportunity to work in a professional theatre under the supervision of a highly skilled production team including a professional director, choreographer and musical director.

Providing local young people with the unique opportunity to take an active interest in the arts, helping build confidence, develop learning skills, whilst having fun in an imaginative, exciting, and creative environment!

"I have never worked with such a great creative team before who are focused on getting the best from each young person"

"My son has thoroughly enjoyed the last 2 weeks and he has made so many friends and has grown in confidence. A year ago, we never would have thought he would have been able to do something like this. Thanks so much for giving him that opportunity!"
