Our New Behaviour Policy

Thank you to those that attended our coffee morning this week as it was an opportunity to outline the detail of our revised Behaviour Policy, the slides are attached to this newsletter email.

Throughout this month we have worked with the children to explain our expectations of behaviour and the consequences that will be given if we make the wrong choices.

The children have cards in class which are a visual reminder of their behaviour and all children have the opportunity to start each new day on a green card.

We do ask for your support when consequences are given and do our very best to investigate all incidents and gather all voices before issuing the consequence.

The values for February are Honesty and Integrity so will be another opportunity to support the children to understand how these values support the Behaviour Policy.

If you have any questions regarding the policy, which is on our website please ask a member of staff.

National Education Union Industrial Action.

I issued a letter last week explaining that school will be closed to the following classes on Wednesday 1st February: **Tiger, Victorian, Stuart, Tudor and York.**

In the letter I stated that NEU members are not required to inform their employer if they are taking action. In the event of me having to close other classes on the day; affected parents will receive a phone call to come and collect.

If your child is in the classes listed in this section and your child is eligible for a free school lunch on that day we are providing packed lunches. These will go home with the child on the 31st January. If you would like this to be provided please email office by Friday 27th January.

Further strikes are planned for 2nd, 15th and 16th March and we will keep you informed.

Middlesex Cross-Country Championship Event

On Thursday two of our Year 6 children, Jad and Kye'Rel, represented our school as they ran for Hillingdon Borough at the Middlesex Cross-Country championships. Both boys ran fantastically against elite Year 7 pupils. A great performance and both have a great future in their running careers!

Support from Local Businesses

As a school we are a registered charity and are seeking support in terms of donations from local business. If you own a business, work within one or know of someone that does own a business and would be keen to support education in their local area please ask them to contact the school. Any charitable donations received would be declared within our school accounts and be used to support enrichment activities such as trips and our Year 6 residential trip. The families that would benefit would be considered on a case by case basis.
