1st March 2023

Attendance Reward

Dear Parents/Carers

I am writing to update you regarding the letter we sent out back in October 2022 regarding Attendance Rewards.

After much thought and consideration, we have identified that the Attendance Reward in giving the children the opportunity to come in their own clothes weekly on a Friday has not been effective enough to continue. This will end on the 31st March 2023.

One of the key priorities at Charville is improving attendance to enable children to make good or better progress in relation to expectations and access the wide range of opportunities available to them. Government expectations are that all pupils attend school a minimum of **95%** of the time.

We will be continuing with a yearly attendance award to recognise pupils with excellent attendance across the academic year. We are hoping for this to be a trip to a local restaurant for lunch.

Pupils who have attended an NHS medical appointment, where evidence has been provided to the school, and have attended for the remainder of the day will still be rewarded for their attendance (Yearly). We understand the importance and difficulty in getting these appointments. It is expected that children attend school before and after any medical appointments.

If you have any questions or concerns please do not hesitate to contact us.

Yours sincerely

MRS N KELLY
Headteacher
