17th March 2023

Dear Parent or Carer,

After school clubs Summer Term 2023

At Charville Academy, we are working hard to ensure our children enjoy a creative and broad curriculum and have a variety of opportunities available to them. We would like to offer the children a range of after school clubs during the Summer term and the costs are as follows:

If you are interested in your child/ children attending any of these clubs, there are two easy ways to sign up.

1. Return this form to school by **Monday 27th March 2023**.
2. Return this form to school at finance@charvilleacademy.org by **Monday 27th March 2023**.
3. You will be notified via text if the club is going ahead and when ParentPay is open. Please note all payments for clubs will be due no later than **Monday 17th April 2023**

Clubs will commence the **week beginning Monday 24th April 2023** and will run for 10 weeks. Due to multiple bank holidays, Monday's clubs will run until the last week of term which is **Monday 17th July 2023**. All other clubs will finish week beginning **Monday 3rd July 2023**. After school clubs will run from **3.15pm-4.15pm**.

If you are eligible for free school meals, you are entitled to one free club throughout the duration of the year.

Please note the clubs that your child/children have shown an interest in attending may not run due to the lack of attendees required for the running of the club.

Please see the table below for the list of clubs, year groups and pricing for each club.

Name of the club and day	Information about the club	Year group	Member of staff	Cost
Monday - Football	Football is a social sport that brings all children together driving good citizenship. It teaches them to become team players, develops their social skills and has a tremendous impact on self-esteem. Football will help your child develop good life skills and shows them how valuable physical activity is.	Reception, 1 & 2	Mr Quinn	£30
Monday - Cooking	Cooking is a key life skill and this club aims to teach and support your children in learning the importance of this. The club aims to ensure pupils get the opportunity to make delicious yet healthy foods that they can replicate at home with your support and practise the skills that they have learnt.	Reception, 1 & 2	Miss Gudaal	£40 (£30+ £10 for ingredients)

Monday - Performing Arts	Performing arts helps to increase confidence, listening skills, empathy and improve problem solving, this will help your child flourish. Children will be introduced to vocal techniques such as how to warm up the voice, articulation and projection. This will be applied to songs, written scripts and improvisation. This will culminate in a singing and acting performance during coffee morning. The focus of this club is to improve their confidence, clarity of speech, creativity and expression.	Reception, 1 & 2	Mrs Rossi	£30
Monday - Multi-sports	Children who take part in multi-sport activities have a much higher chance of being active and healthy adults. Multi-sports give your child the opportunity to experience a variety of sports and movements in a fun and nurturing environment.	3, 4, 5 & 6	Miss Rodipe	£30
Monday - Basketball	Basketball helps to improve motor coordination, flexibility and endurance. It also encourages speed, agility, and strength. It is a fun, high intensity sport that gives pupils the opportunity to socialise with their friends whilst staying active.	3, 4, 5 & 6	Mr Abbiw	£30
Monday - Minecraft	Minecraft can teach children the fundamentals of programming skills, teamwork, problem-solving, project management, and offers a fantastic environment to foster creativity and “out of the box” thinking. Children will have the opportunity to develop these skills if they enrol.	3, 4, 5 & 6	Mr Maguire	£30
Tuesday - Dodgeball	Dodgeball is a high-intensity workout. The sport requires a mixture of power, defence and hand-eye coordination. You have to focus on hitting your opponents with the ball while also dodging the balls coming your way. The benefits of dodgeball include improved agility and balance while ducking out of the way of incoming balls, stronger shoulders, back and arm muscles from throwing the ball, increased leg strength from jumping around to avoid the balls and stronger hand-eye coordination as you try to catch the ball or aim at your opponent.	Reception, 1 & 2	Mr Quinn	£30

Tuesday - Performing Arts	Performing arts helps to increase confidence, listening skills, empathy and improve problem solving, this will help your child flourish. Children will be introduced to vocal techniques such as how to warm up the voice, articulation and projection. This will be applied to songs, written scripts and improvisation. This will culminate in a singing and acting performance during coffee morning. The focus on this club is to improve their confidence, clarity of speech, creativity and expression.	3, 4, 5 & 6	Mrs Aitken	£30
Tuesday - Arts and Crafts	Art is a fun and creative outlet. It improves fine motor skills and enhances hand-eye coordination. This is a wonderful opportunity for your child to create and develop pieces of artwork whilst exploring their creative side, after school with their friends.	3, 4, 5 & 6	Miss Booth	£30
Tuesday Cooking	Cooking is a key life skill and this club aims to teach and support your children in learning the importance of this. The club aims to ensure pupils get the opportunity to make delicious yet healthy foods that they can replicate at home with your support and practise the skills that they have learnt.	3, 4, 5 & 6	Miss Hassan	£40 (£30+ £10 for ingredients)
Wednesday Arts and Craft	Arts and Crafts Art is a fun and creative outlet. It improves fine motor skills and enhances hand-eye coordination. This is a wonderful opportunity for your child to create and develop pieces of artwork whilst exploring their creative side, after school with their friends.	Reception 1 & 2	Mrs Gold	£30
Wednesday French	Numerous studies have examined how learning a new language makes a positive impact on the wiring of the brain. Studies have examined that learning another language also boosts student literacy, which gives learners an advantage in core school subjects like mathematics and science. Learning a new language equally has a positive impact on students' levels of alertness and focus as studying an additional language boosts a child's concentration span.	3, 4, 5 & 6	Mrs Urwin	£30
Thursday - Lego	LEGO club is a fun and creative way to introduce pupils to engineering. In this club children will be able to develop their maths, science and literacy skills. It also provides children a unique space to strengthen their social skills.	Reception, 1 & 2	Mrs Kumar	£30

Thursday Football	Football is a social sport that brings all children together driving good citizenship. It teaches them to become team players, develops their social skills and has a tremendous impact on self-esteem. Football will help your child develop good life skills and shows them how valuable physical activity is.	3, 4, 5 & 6	Mr Dwyer	£30
Thursday Yoga	Yoga and mindfulness provides so many benefits including supporting learning, healing, stress release and everyday life. Mental and physical wellbeing is carefully nurtured. This is achieved through noticing and controlling the breath; moving and resting the body; and developing an awareness of the mind's thoughts through meditation and mindful practices.	3, 4, 5 & 6	Miss Booth	£30
Thursday Film making	Everyone loves watching films. This club will give your child an opportunity to explore all aspects of film. They will investigate different genres, plan and write their own script and then get the opportunity to film and edit their very own masterpiece. The last film session will be a wonderful premiere where they can release their films to their families.	3, 4, 5 & 6	Mrs Aitken	£30
Thursday Chess Club	Chess is a game often synonymous with intelligence, and has been proven in many studies to be an excellent exercise for the brain. Mental health can greatly benefit from playing. Chess has been proven to increase your IQ, improve memory function, help develop higher levels of creativity, simultaneously exercise both sides of the brain, help prevent Alzheimer's and dementia, and increase a child's problem-solving skills.	3, 4, 5 & 6	External agency- Uxbridge Junior Chess Club	£50
Friday Dodgeball	Dodgeball is a high-intensity workout. The sport requires a mixture of power, defence and hand-eye coordination. You have to focus on hitting your opponents with the ball while also dodging the balls coming your way. The benefits of dodgeball include improved agility and balance while ducking out of the way of incoming balls, stronger shoulders, back and arm muscles from throwing the ball, increased leg strength from jumping around to avoid the balls and stronger hand-eye coordination as you try to catch the ball or aim at your opponent.	3, 4, 5 & 6	Miss Charles	£30

Friday Golf	Golf is a great way to get the kids physically active in a safe environment and a sport they'll love. And the benefits go beyond physical fitness too — it can help with mental and emotional development as well as help develop social and emotional skills that will last their whole lives. The physical skills they learn in golf, such as hand-eye coordination, can carry over and help them succeed in other sports and develop lifelong healthy exercise habits. Golf is also incredibly beneficial in the school and working world as it helps teach decision-making skills, etiquette, working with numbers, planning and using strategies.	3, 4, 5 & 6	Mr Quinn	£30
