## World Book Day - Tony Bradman came to Charville

Tony Bradman came to Charville to talk to the children about how he became an author, what inspired him and books that he loves to read. He also read some of his most famous books to our children, such as "The Frankenstein Teacher". The children had the opportunity to ask Tony questions and he commented on how brilliant the questions were.

The children (and staff!) also dressed up as their favourite book characters and here are some photos from the day:

## Travelling Book Fayre- Scholastic 21<sup>st</sup> March – 24<sup>th</sup> March

Next week from Tuesday to Friday we have our annual Book Fayre coming to Charville! The books will be on display before and after school in lower hall, from 8.30 – 9.00 and then after school from 3.15 – 3.40. It will also be available during Parents Evenings.

Please visit the following website to see the collection of books:

<https://bookfairs.scholastic.co.uk/travelling-books/the-books>

30% of the books are priced under £5. You can pay by cash, or by card (for which you have to follow the QR code and input the school name/postcode). If we are running low on books that prove popular we can place a further order and those books will be delivered when they pick up the mobile bookshop. The more books you buy, the more books we get for our school library!

## Parent Consultation Evening Reminder

Wednesday 22<sup>nd</sup> March is Parents' Evening here at school. Appointments are to be made via the links in the letters issued, which are also available on our website.

If you have more than one child, please ensure you make separate bookings using the individual links.

The school nursing team are now unable to attend.

We look forward to seeing you all next week.

Today was Red Nose Day and donations can be made via ParentPay and this is still live for further contributions.

We will keep you updated on how much we have raised in next week's newsletter.

## Governor Update

On 8<sup>th</sup> March Ms Polyanska and Ms Hewitt were re-elected to the Governing Board. We thank them for their last term of office and look forward to this one. Ms Polyanska is a Parent Governor and Ms Hewitt is a Community Governor.

We also welcome Ms Peattie and Mr Shabir as newly elected Parent Governors. We look forward to their contributions and commitment to our school improvement.

We also have a vacancy for a Community Governor. This cannot be a parent so if you know of someone who may be interested please speak to Mrs Kelly.

## Chichester Trip- Year 4

Yesterday, Year 4 embarked on their trip to Chichester Harbour and Marina. What great weather we had! It was a fantastic trip and the children were able to share and build on their knowledge of the coast.

The children started their day at Chichester Marina. They were able to see the effects of coastal erosion. This session allowed them to share their knowledge of erosion, deposition and sea defences. The children were able to sit on sea defences and re-enact how these work.

The children then continued their day at Chichester Harbour. Here they ate lunch and completed a beach scavenger hunt. During the beach scavenger hunt, some of our children were lucky enough to spot rare birds and even pick up some crabs!

The day ended with the children being able to take home some beautiful empty shells as memorabilia.

We all had a lovely day and would like to thank you for your support and preparation!

*"It was a great trip! I liked collecting the shells."*

*"It was a very fun and informative trip" Gurjacob.*

*"It was nice, we got to see where the boats are going and I liked to learn things I didn't know before. We learnt that some stones used to be sponges in the sea." Alan.*

*"9/10" Klaie.*

*"I really enjoyed this trip. My favourite part was the treasure hunt because I like to get things from the beach." Danyal*

*"My favourite bit was walking in the forest because I liked jumping in the puddles." Shayan*

*My favourite part was when the boat went through the lock because the water was making the boat go higher and then the lock opened slowly." Issa*

*"I liked when we went to the beach and collected creatures." Jaskaran*

*"I learned about erosion destroying the coast." Blu*

*"I learned that they used to make salt in Saltern copse. They put the sea water in a big pot and then they let the sun evaporate water evaporate and the salt will stay in there." Kai C*
