The Coronation of King Charles III

The Coronation of King Charles III will take place on Saturday 6th May.

During the week of 2nd- 5th May children in Nursery- Year 5 will learn about the coronation. On Friday 5th May there will be a special assembly for all children and a British themed menu will be served in the dining room at lunch time.

We have made the decision, due to the Year 6 SATs during the week of the 9th May that we will celebrate as a whole school on Friday 12th May. Children can come to school on this day wearing red, white and blue. There will also be a tea party in the afternoon and there will be a sign up list for tea party food.

School is closed on Monday 8th May as this is a bank holiday to honour the coronation. The theme of this bank holiday is The Big Help Out. This is a chance for community groups to celebrate this historic occasion.

Year 6 SATs

Revision is well underway to support the children in Year 6 as they prepare for SATs week, which commences on Tuesday 9th May (due to a bank holiday on Monday 8th May).

We are providing breakfast for Year 6 from 8:30 everyday of that (shorter) week. Children will need to come in via main reception as the gates will not open until 8:40.

Attendance is vital so please do ensure you child is in and on time as the papers are timetabled and cannot be sat on alternative days as they are collected by couriers for external marking.

Year 6 Netball Team

Last Thursday our Year 6 Netball team attended the Hillingdon Borough Netball Finals as they qualified as the best team in our local Hayes and Harlington district. The team played extraordinarily well considering this is a newly formed team and our first year playing Netball for quite some years.

Results: We won 3, drew 2 and lost 3 games, beating all the teams from H&H. Overall, we came a very credible 5th place in the Borough of 82 Primary schools. Congratulations to all the players, Miss Charles and Mr Quinn and the parents for supporting!

Living Eggs

The Nursery and Reception children have enjoyed watching ducklings hatch from their eggs and being able to watch them grow. We received the incubator and eggs from a company called Incredible Eggs. The children have learnt a lot about the life cycle of the duck, and what they need to grow and be healthy. The ducklings are really friendly and the children have held them carefully and used some lovely vocabulary to describe how the ducks felt. The ducklings are returning to the farm where the eggs came from, and not going home with Mrs Soper like last year, where they are still living in her garden.

London Marathon 2023

On Saturday 22nd April children in Years 3-6 ran the mini marathon. It was a great experience as the children ran part of the course and finished on the Mall. Well done to all that ran and thank you to the family spectators that supported. Huge well done to Jad who finished 6 out of 310 runners, closely followed by Kye'Rel who was placed 11 out of 310 and also by Arthur who was placed 17 out of 310.

All of the children were presented with their medals and official finish times. Thanks to Miss Rodipe for organising and attending and thanks to all the accompanying staff.

Well done to Mrs Mohammadi who ran the marathon, for the first time on Sunday and completed the race in 4 hours and 54 minutes.
