

Charville Academy Weekly Newsletter

Friday 12th May 2023

We are an Enhanced Values Based School

During the month of May we focus on the values of self-belief and ambition.

Self-belief is explained as having confidence in yourself and your ability to do things successfully.

Ambition is about wanting to self-improve and achieve success.

These values are a very important part of our attitudes towards learning.

Please continue to talk about the values with your children at home.

Well Done to Year 6

Today marked the end of Year 6 SATs week.

Well done to all the children for their conscientious attitude and hard work throughout this week.

The children worked very hard to prepare and we will receive the results in July.

Thank you to all the staff involved in supporting the children this week.

Particular thanks to the Year 6 team who provided breakfast for the children throughout the week.

Measles

On Tuesday we issued a whole school letter from the Local Authority regarding a rise in the case of measles and a call to ensure that your child has received their MMR vaccine.

If your child presents with the symptoms please speak to your GP.

The signs and symptoms of measles

- high fever
- sore red, watery eyes
- coughing
- a runny nose
- aching and feeling generally unwell
- a blotchy red brown rash, which usually appears after the first symptoms

Congratulations to Arjun in Year 4

Arjun has qualified for the National Trampoline Championship as he achieved a gold medal in the London Championships.

We are all so proud of his achievements and wish him well.
