Friday 19<sup>th</sup> May 2023

## Ofsted Update

On Thursday 11<sup>th</sup> May and Friday 12<sup>th</sup> May we had an Ofsted inspection; the first since 2017.

Thank you to the parents/ carers that completed the online parent survey as well as those that spoke to the inspectors when they came on duty with senior staff on Friday.

The report will be published before the end of the academic year and we will share it with you as soon as we can.

Please note that school is closed from Monday 29<sup>th</sup> May – 2<sup>nd</sup> June for half term and will reopen on Monday 5<sup>th</sup> June.

## Year 5 Trip to Science and Natural History Museum

The children thoroughly enjoyed the Science and Natural History Museum trip on Monday as the topic for this term is about Space. The IMAX experience was exceptional as we watched a 3D movie about our planet and all the work that the astronauts do onboard space stations.

## Year 1 Trip to London

On Tuesday, Year 1 went on an exciting journey to London. The children travelled by train before boarding an open top bus tour with a guide. The children enjoyed looking at all of the sights such as Big Ben, The London Eye and Tower Bridge. This was linked to our topics of 'Journeys' and 'London'. The children behaved impeccably on this outing and were models of the Charville Values.

## Litter in the Community Centre Car Park

The Community Centre have made us aware of litter being left in the car park. Please take all your rubbish home with you and dispose of it there as it looks unsightly and is a health and safety issue.

24th May  
2023

3:15  
-  
5.00
