## Attendance and Punctuality

School attendance and punctuality remains a priority for children in Nursery to Year 6.

Since the start of term, we have noticed that a number of children are arriving at main reception after the gates have closed at 8:50.

Please ensure your child is in school on time so that they can start the day with their classmates.

Attendance is closely monitored and standard letters are issued to all families if attendance falls below 95% and punctuality affects this figure.

Thank you for your support.

Work to build our new Specialist Resource Provision (SRP) for children with an Education Health Care Plan (EHCP) and Autism (ASD) is well underway.

At this stage the building works are on track and we thank you for your patience as we appreciate that we have had to adjust access to parts of the school site.

Admissions to the SRP are managed by the Special Needs Team at the local Authority and not through central admissions.

We hope to have the build complete by the end of November and the SRP should be open to the children that have been given a place by January 2024.

If you have questions regarding the works please speak to a senior member of staff.

We are an  
Enhanced Values  
Based School

This week the values of Independence and Dedication were taught through the Rugby World Cup, which is currently being hosted by France.

The tournament is an opportunity to teach the children about how being dedicated and independent can lead to us achieving our goals and dreams.

Next week we will be focussing on International Week for Deaf People and sharing the story of Rose Aylling- Ellis.

## Values Ambassadors Independence & Dedication

Well done to the children who were awarded the ambassador certificate on Monday.

### Collection at the end of the day

If your child is being collected by a different adult at the end of the day please let us know before 2:30pm so that there is sufficient time to ensure the message gets to the class teacher. Please be aware that if the adult is not known to the staff we will need to be made aware of who they are.

### Community Governor Vacancy

We have a vacancy for a Community Governor to join our established governing board.

A Community Governor cannot be a parent of a child at the school but can be another friend, relative or associate.

If you know of anyone that might be interested please ask them to email us at [office@charvilleacademy.org](mailto:office@charvilleacademy.org) and we will pass this onto our Governor Professional/ Clerk.

### Waterproof Coats

Autumn is now upon us so please ensure your child comes to school with a waterproof coat.

Thank You

### Safety in the Community Centre Car Park

Please do not use the Community Centre car park as a "drop and go turning circle" as this is creating a hazard for pedestrians and those trying to park.

Please use of the designated parking bays to park your vehicle, escort your child to the gate and then return to your vehicle. Please only park in the bays as parking elsewhere is also causing congestion.

If the car park is full please park elsewhere.
