Foodbank Collection

Dear Parents/Carers,

October is the start of the Harvest festival and it brings with it a time of reflection and thankfulness for the things that we are fortunate to have, whilst also remembering those who don't have access to the most basic of necessities.

Foodbanks are seeing an increased demand in their services, so they need to stock up on a range of items to ensure that they can continue to provide for people struggling during these busier months. Foodbanks rely on donations of both food and essentials to help them support people facing a crisis within communities across the UK. Without your goodwill, foodbanks would really struggle to operate, and that's why your support is needed more than ever.

Charville Academy is working with the Hillingdon Foodbank to collect a range of items for families in need. **Please refer to the list below for a range of much-needed food items and essentials:**
