

# Weekly Newsletter

2<sup>nd</sup> February 2024

Welcome once again to our weekly newsletter.

In recent weeks we have been monitoring reading lessons across the school and working to promote a love of reading in all children, which is one of our main school priorities.

Research tells us that children who are read to and read regularly are more likely to achieve in secondary school and beyond. Reading is also beneficial for the mind and can support positive mental health.

Reading with and to your child can also be a very pleasant calm time in a busy world to spend 1:1 time with your child.

We encourage all parents to take up the offer of a free Hillingdon library card as this will provide you with the opportunity to read and choose books to read with your child.

If you need any support with how best to support your child with their reading please do speak to the Class teacher.

Headteacher

## This week at Charville...

### Young Voices

On Monday 29<sup>th</sup> January we took part in a collaboration of music, dance and performance at the O2 in London. During the day we travelled on public transport, took part in a large rehearsal and then it was show time!

Thank you to all that made this possible and to all the families that came along to support. Please check our social media next week for recorded footage.

### Hillingdon Borough Basketball Tournament

On Thursday we travelled to Uxbridge College taking part in the annual Hillingdon Borough Basketball tournament.

Despite many very close games and results and some outstanding performances from our players, we finished 6<sup>th</sup> in our division and our competition did not progress to the quarter-finals. Well done to all our young athletes! Many thanks to Mr Dwyer, Mrs Evans and Mr Quinn for their continued support with the Sports department.
