

Weekly Newsletter

23rd February 2024

This week we welcomed all the children back after half term. We hope you had a good and restful week.

This week we have continued our work around the values of Honesty and Integrity and our assemblies have been linked to internet safety and staying safe online.

There is currently a lot of media attention around children and what they are viewing and sharing whilst online.

Please ensure, that if your children are online, that they are accessing age appropriate material and that you regularly check their activity and talk about what they are viewing and sharing.

There is a wealth of information available for parents and carers to support with this and we talk to the children about this as part of our curriculum.

For further information please see the link below, which is an example of how to support children being safe online.

11th March – Al Sylvester (Explorer) visiting Year 2

15th March – PTA Disco

19th March – Reception Trip to Odds Farm

Attendance

Whole school Attendance this week is 92.07%

Health and Safety Messages

We have issued a school letter following our update to our Allergy and Anaphylaxis Policy.

If you wish to provide your child's class with celebration sweets and treats please do so at the end of the day. Parents/ carers will be required to distribute these themselves on the playground at dismissal so that other parents/ carers present can check for allergens.

This is not the responsibility of the school staff and we thank you in advance for your support with this.

Please do not use the Community Centre car park as a drop zone. All vehicles must park in a designated bay and children must be escorted to the gate.
