### **Specialist Resource Provision: Outcome of Full Consultation**

The consultation took place from 5<sup>th</sup> September 2022 and closed on 3<sup>rd</sup> October 2022. The consultation was shared with all relevant stakeholders and interested parties. During the consultation we received two responses. One of the responses commented on the presentation of the papers rather than the proposal. The other was a direct parental request for a place in the provision for their child.

Based on these responses the full Governing Board agreed on the 19<sup>th</sup> October 2022 that we can proceed and formally inform the public of the outcome of the consultation via the school’s website.
