

Weekly Newsletter

8th March 2024

This week has been a very busy week in school.

Well done to all children in Year 6 who have started to prepare for their end of KS2 SATs with a 'mock SATs' week in school. The children conducted themselves well and worked hard.

In Monday's assembly we launched how we were planning to celebrate World Book Day, which took place yesterday, 7th March. Please see the next page of the newsletter for further information.

We also launched the values of Cooperation and Peace this week as these are the values for the month of March. These values are particularly important at this time as we all know that there is conflict in different parts of the world at this time.

Sunday 10th March marks the start of Ramadan and Members of our Muslim community will be fasting during daylight hours. Please let your child's class teacher know if your child is fasting whilst at school.

On Wednesday 13th March the football team are in a final after school and the game will be played at Charville. Please come and support, if you can.

Next week is British Science week and we will be focusing on this in lessons next week.

Cooperation

THE MONTH

This week at Charville...

Poet visit

Charville were very lucky this week as children had a visit from Zohab Zee Khan. Zohab is a brilliant spoken-word poet who engaged the pupils with his poetry and instrument skills on the didgeridoo. Children were inspired by his humorous and motivational poetry and we hope that they are then able to use this when writing and reciting their own poetry!

World Book Day

On Thursday 7th March our school became awash with interesting characters from all the children's favourite books. Thank you to all the parents/carers, children and staff for putting in so much effort in making the day special. Throughout the day, children used their imagination to write poetry, create artwork based on the poetry and attend a special assembly with a poet. We hope this love of books and poetry continues!

This week at Charville...

Hillingdon Borough Netball Finals

On Monday we attended the Borough Finals on a cold blustery day. The tournament was very competitive and we performed well and our players did their best. Unfortunately we were unable to make it out of the group stage and didn't progress to the knockout stages.

Well done to all the players and to Miss Charles and Mr Quinn for their continued support!

Mother's Day Assembly

This afternoon children in Reception came together to celebrate Mother's Day. Thank you to those that joined us for this special assembly.

We wish all families celebrating a Happy Mother's Day and we also remember that many of us will be remembering our loved ones on this day.

Key Messages

Key Dates

These are the current dates for spring term 2

11th March – Al Sylvester (Explorer) visiting Year 2

Week Commencing 11th March – Science Week in school

Wednesday 13th March. Football Final. Charville v Lake Farm. After school on the field

19th March – Reception Trip to Odds Farm

27th March – Parents Consultation Evening

Attendance

Whole school Attendance this week is 93.03%

Well done to 3HU who had 99% for the week.

Internet Safety

It has come to our attention this week that some of our children are accessing multiple WhatsApp and Snapchat groups.

In line with our work around keeping children safe online we ask that if you do allow your child to use and access such sites that you regularly check their activity and support them to understand how to use these sites appropriately.

Children in the UK must be 13 years of age to download WhatsApp without parental consent.

Letters/Emails Home this week

Year 2 trip to Gunnersbury Park – Year 2
Charville V Lake Farm football flyer –Nursery to Year 6
Social Media letter – Year 5
