

# Weekly Newsletter

15<sup>th</sup> March 2024

Welcome to this week's newsletter.

This week in school has been an opportunity to encourage the children to think about Science as it is National Science Week. Please see the rest of the newsletter for more information.

A number of children attended a workshop on Monday and this is still live on ParentPay for donations if you have not yet been able to do this.

On Wednesday the governors of the school spent the day with us. This was an opportunity to see the school in action, visit lessons, talk to the staff and the children and to discuss what they had gained from the day. I would like to take this opportunity to thank the governors, who are all volunteers, for supporting school development in this way.

Tonight is the PTA disco for children in Reception, Years 1 and 2 and then it is the KS2 disco. Thank you to all that supported this event by purchasing a ticket and to those that volunteered to help at the event. All funds raised are used to support the school.

Please remember that school we will respond to all emails and Dojo communications within 48 hours of a term time week.

Mrs Kelly  
Headteacher

## This week at Charville...

### Science week

This week we have been celebrating British Science week. The theme for this year is time and what it means to us. The children have had the opportunity to complete a range of activities during the week such as making jelly, designing a farm of the future and creating a water clock. Year 2, 4 and 6 also had the opportunity to take part in a Rail project that has been funded by HS2, where they were able to build their own model trains. Next week Nursery to Year 6 will have the opportunity to have a talk with an engineer that works for HS2 to gain a deeper understanding of the project and the role of an engineer.

### Al Sylvester's Visit – Year 2

Today, the Year 2 children were very lucky to welcome Al Sylvester - an amazing Arctic explorer who visited us at Charville.

The children thoroughly enjoyed his visit and were fascinated by his numerous stories about Antarctica and his journey to the South Pole.

We had the opportunity to try on his special equipment and pretend to be the Arctic explorers ourselves.

## This week at Charville...

### **HHPSSA Football Cup Final – Charville V Lake Farm**

Congratulations to our Year 5 & 6 Football squad as they beat Lake Farm 5-1, to be crowned Hayes & Harlington Football Champions!

Thank you to the amazing support of the Charville families and friends that came and watched a great competitive and at times a tempestuous game!

Thank you to Mrs Schofield and Mr Quinn for their continued Support!

### **Staffing**

As the term draws to a close on Thursday 28<sup>th</sup> March we will be saying farewell and thank you to Miss Hassan (Year 3) and Mrs Aitken (Music Lead)

We wish Miss Hassan all the best for her future abroad and thank her for her time at Charville. For the remainder of the term the class will be led by Mrs Urwin with the support of Mrs Hundal (Year Group Leader) and Mrs Dunmall (Acting Deputy Headteacher).

Mrs Aitken is taking up a promotion in the secondary sector and we thank her enormously for her 10 years at Charville. During that time, Mrs Aitken has led and developed Music and the Arts across our school and this was recognised by Ofsted when they visited in May. We all wish her all the very best for the future.

## Key Messages

### **Key Dates**

#### **These are the current dates for spring term 2**

19<sup>th</sup> March – Reception trip to Odds Farm

27<sup>th</sup> March – Parents Consultation Evening

#### **These are the current dates for Summer term 1**

### **Attendance**

Whole school Attendance this week is 93.16%

Well done to 4MO who had 98.33% for the week.

### **Parent Consultation Evening 27<sup>th</sup> March 2024 2:30-8:20pm**

On Wednesday we issued the Parent Consultation Evening letter. Parent Consultation Evening is on 27<sup>th</sup> March. Each slot is 10 minutes long and if you do require additional time you will be asked to make another appointment at a convenient time.

Please follow the instructions in the letter to make your appointment and you will need to follow the separate links issued in the letters if you have more than one child.

During the evening we will be joined by representatives from:

Charville Library, Key working Service (Parenting and FSW), Young Caress Trust and Home Start.

If you have any questions regarding Parent Consultation evening please speak to your child's teacher.
