

INVITATION FROM THE EARLY YEARS!

Dear Parents and Carers,

We are running a workshop on **'How to develop your child's reading at home'** for parents and carers of Early Years children. This is an opportunity to learn new ways to help your child become a confident and independent reader.

We appreciate that some of you have work commitments. If you can attend, please let staff know before Wednesday, 12th June 2024.

The workshop will be on:

Friday 14th June at 11:00 and 14.30 in the Lower Hall.

Please arrive at the Lower Hall door next to the Main Reception.
