

# Weekly Newsletter

14<sup>th</sup> June 2024

Welcome to this week's newsletter.

During this week Year 1 children have taken part in their statutory Phonics screening and information regarding this will be shared with parents and carers as part of their child's annual report. Year 4 children have all now completed the statutory Times Tables Check and again, this information will be shared with parents and carers.

Annual reports will be shared with all families on 15<sup>th</sup> July via email so please ensure we have the correct email address. If you require more than one copy please email [office@charvilleacademy.org](mailto:office@charvilleacademy.org) as the email can only be issued to the first contact.

Thank you for your support regarding the new drop off and collection arrangements. Feedback has been positive and the car park is now only used for parking and is not an entry or exit point for the school. We do ask that drivers do not park across driveways or double park on Bury Avenue as we have had complaints from residents. This road also has a traffic/parking camera and we are aware that fines have been issued.

We have noticed an increase in the number of children being collected after 3:10pm. Please ensure that you are prompt when collecting your child.

## This week at Charville...

### Nursery Sports Day

Last week we celebrated sports day in Nursery and it was lovely to see you all trying and persevering, showing determination and respect for your peers, that is what sports day is all about! Thank you for your support and participation in such an important event for your children.

### Year 3 trip to Living Rainforest

Year 3 visited the Living rainforest and had a great opportunity to gain a first hand experience of learning about the exotic flora and fauna. Home to free roaming lizards, birds, butterflies, Goeldi monkeys, a Chinese Water Dragon, Harry the armadillo and Cinnamon, the two-toed sloth, they enjoyed learning all about the importance of a rain forest's eco system and how it supports everyday human life.

## This week at Charville...

### PGL

Year 6 returned from their residential weekend on Monday. During the weekend the children took part in raft building, abseiling, giant swing, Jacob's ladder, problem solving and a camp fire with toasted marshmallows to name a few!

The children enjoyed their time and returned home ready for bed!

Thank you to all the staff for their hard work and for making this possible.  
Year 5, we look forward to next year.

### Gymnastics

Congratulations to Eva in year 3 who competed in the nationals gymnastics competition on bank holiday Monday, representing London. She scored well and ended up in 4th place, losing out to 3rd by 0.05 in the scoring.

We are very proud of her. As a result she has gone up again in her grade level and will compete at a higher level in the new season.

## Coming up...

The MET Police Central Youth Team, are currently running a project, offering **FREE and online, parent/ carer engagement webinars** in partnership with IVISON Trust.

The sessions will give advice to parents/ carers, on how to spot signs of **County Lines, gang affiliation, grooming and exploitation**. The input will include a lived experience speaker who will explain how they themselves or their children, became involved with gangs and exploitation. The charity will also offer free long term support, to anyone who needs it or believes their young people have been or are being exploited.

Please find attached the advert, that contains the Eventbrite link for them to reserve their free place. Please share this with anyone you feel may benefit from the sessions, such as your parents/ carers, teaching staff, community groups etc, everyone is welcome and we would like to have as many people as possible joining the inputs.

The session for the **West London boroughs** (Hillingdon, Ealing, Hounslow, Wandsworth, Merton, Kingston, Richmond, Westminster, Kensington & Chelsea, Hammersmith & Fulham) will take place on **Tuesday 25<sup>th</sup> June, 6.30pm – 7.30pm.**

Thank you for supporting the project and we hope your parents and school community, find these sessions beneficial and educational.

Kindest Regards,

***Jenna Milton***
