

Weekly Newsletter

5th July 2024

Welcome to this week's newsletter.

On Monday we welcomed the staff from Charville Library who introduced the children to the Hillingdon Summer Reading challenge. Children are encouraged to participate and more information can be found at: [Summer Reading Challenge 2024 - Discover Hillingdon](#)

Tuesday was an opportunity for Year 6 children to visit their secondary schools in preparation for September. We also welcomed all children and parents who will be starting Reception in September for their induction day. It was lovely to meet new and familiar families in preparation for their child starting school in September.

All children at school also met their new class teachers in preparation for September as part of Class Swap Day on Tuesday.

On Wednesday we took part in District Sports and more information can be found in the rest of the newsletter.

Please remember that school will close for the summer at 1:30 on Friday 19th July and there will be no afternoon Nursery on this day.

Attendance

Whole school Attendance this week is 91.67%

Well done to 5M who had 99.09% for the week.

Parking before and at the end of the school day.

The Community Centre car park remains open and available, even though the gate is no longer an entry and exit point for the school site.

Please do not cause congestion on Bury Avenue and we do not have access to the library car park so please do not use this unless you are visiting the library.

We have also noticed and had concerns raised about vehicles parking across driveways on Bury Avenue as this restricts access for residents.
