

# Weekly Newsletter

27th September 2024

Welcome to this week's newsletter.

I would like to begin by congratulating Mr Quinn and all the children that represent the school at sport and all those that have seen success at events and tournaments. Our PE and sport provision has been recognised and we are now a Platinum School for sport. This is the highest level of accreditation and we are very proud of our achievements.

Today was an opportunity to support MacMillan Cancer Research once again with our after school cake sale. Thank you for your donations and all money raised will be donated to MacMillan.

Swimming continues and congratulations to those children that have passed their 25m swimming test in this cycle. It is very important that the children attending swimming lessons have their kit in school everyday.

If you have a child in Year 6 and need any support with the secondary school online application please do not hesitate to ask. We are unable to recommend schools but are able to help with the completion of the form.

Please remember that staff are required to respond to communication from parents within 48hrs term time only. This means that Class Dojo messages and emails may not be responded to on the day they are received.

Our key school priority this academic year is to improve attainment and progress in writing across the school. In order to support this we have introduced a new approach to handwriting and spelling. We will be holding a parent/ carer workshop to introduce this to you and will keep you updated.

Headteacher

## Key Messages

### Reminders

If you have received information to say that your child is receiving swimming lessons, please ensure they have their swimming kit in school everyday. If you require any support with this please let us know.

The school gates now open at 8:30 and close at 8:40. Please ensure your child is on time for school each day.

### End of School Dismissal

Children in Reception, KS1 and KS2 are dismissed at 3:10. If you are collecting from KS1 and KS2 please remain behind the white lines on the playground so that there is space to dismiss the children from their classes.

If you need to speak to the class teacher at the end of the day please wait until all children have been dismissed safely.

If you are not collecting your child please call the school before 2:30 so that sufficient time is given to ensure the message reaches the staff member dismissing that class.
