

# Weekly Newsletter

10<sup>th</sup> January 2025

Welcome to the first newsletter of the spring term.

I would like to take this opportunity to wish you all a very happy new year and all the very best for 2025. I would also like to welcome new families whose children started Nursery this week. We look forward to getting to know your child and supporting them in their education.

This week's assembly was an opportunity to welcome all the children back to school and I would like to remind all parents and carers that our school uniform includes black trousers or skirts and not black leggings. We also ask that all children wear black school shoes and not trainers, unless they have PE.

As this term begins we would also like to remind all parents and carers about the importance of attending school each day. The government have asked schools to ensure that children's Attendance is closely monitored and supported. Please remember that our term dates are available on the school website and that we do not authorise any term time holidays and this could lead to a penalty fine from the Local Authority.

Our club schedule for this term starts on Monday 13<sup>th</sup> January. Collection from all clubs is at 4:15.

The winter weather is now upon us so we ask that all children come to school with a named, warm, waterproof coat.
