Monday 15th September 2025

Dear Parent/Carers,

I am writing to inform you that we are currently seeking to appoint two parent governors to join our school's Governing Body and would like to invite expressions of interest from parents and carers of children currently enrolled at Charville Academy.

Parent governors play a vital role in supporting the leadership of the school, representing the voice of parents, and ensuring that decisions made are in the best interests of all children. Being part of the Governing Body is a rewarding way to make a real difference to our school community.

As a governor, you will:

- Help shape the vision and direction of the school
- Support and challenge the leadership team to ensure the best outcomes for our children
- Contribute to discussions on school policies, resources, and future planning
- Act as a representative of the parent community.

No prior experience is necessary—full training and support will be provided. What matters most is your commitment, enthusiasm, and willingness to work collaboratively with others for the benefit of the school.

If you are interested in putting yourself forward, please email office@charvilleacademy.org with your expression of interest. Should we receive more applications than the number of vacancies, an election will be held where all parents/carers can vote.

We would be delighted to welcome new voices and perspectives to our Governing Body. If you would like more information about the role before applying, please don't hesitate to contact office@charvilleacademy.org where an appointment can be made with the Headteacher/Chair of Governors.

Thank you for considering this opportunity to play an important part in our school's journey.

Yours sincerely,

Mrs N Kelly
Headteacher
