

# Weekly Newsletter

10th October 2025

Welcome to this week's newsletter.

This week we introduced the values for the month of October, which are Pride and Precision.

Pride is defined as demonstrating a feeling of worth in all that we do and precision is explained as being exact. Children will be focussing on these values throughout the month of October.

On Monday we presented an assembly that was provided by staff from the local Charville Library. This was an opportunity to share with the children the resources available at and through the local library. If your child does not have a library card, please visit the library and they will support you with this.

We are in the process of reviewing our Attendance Policy and need your help. It is very important that schools engage with parents and carers when reviewing this policy and in order to do this we would like at least one parent from each year group, including Nursery to attend an face to face or online meeting to discuss the policy. We will aim to be as flexible as possible with the date so if you are interested please email

[attendance@charvilleacademy.org](mailto:attendance@charvilleacademy.org)

and Mrs Trotter or Mrs Kelly will get back to you. Once we have established the parent/ carer group we will set a convenient date and time for the meeting.

Well done to all the team as they won the game 8:2, which was a great result. The goal scorers were Andre, Micah, Omari and Harley.

Thank you to Mr Robotham who managed the team this week and to Mr Pender who was the referee.

We wish the team all the best for future games,

# Charville Academy Open Day

**Start Time 10am**

Is your child starting Nursery or Reception in 2026 or 2027?

We are currently over subscribed and have a waiting list in Reception and Year 1 so we encourage you to apply early for September 2026.

'Pupils' learning across all subjects is enriched through reading non-fiction texts selected by leaders that are specifically relevant to what pupils are studying.
