

Weekly Newsletter

24th October 2025

Welcome to this week's newsletter.

Monday morning's assembly was an opportunity to teach the children about Black History, which is also an integrated part of our curriculum. Our assembly was based on the story of Rosa Parks and her influence on equality.

On Thursday night it was disco night and thank you once again to the PTA for organising this event. All money raised is then used to support the school. Thank you to the parent volunteers that supported on the night and to the staff that stayed behind to help as well.

At the end of next half term (when we break up for Christmas) Mrs Rogers will retire after almost 25 years of working in our Nursery. Mrs Rogers is currently one of the longest serving members of our staff and is an integral part of our Nursery. We will be preparing to say goodbye to Mrs Rogers at the end of term.

We currently have two vacancies and if you would like more information please see the item in the remainder of the newsletter.

School is now closed for half term and will reopen to all children on Monday 3rd November. We wish you all a good week.

Mrs Kelly
Headteacher

Nursery- Liliana

Halloween Menu and Diwali Menu

On Tuesday we have a special spooky menu for Halloween and then on Thursday we had another special menu for Diwali.

Thank you to the Dining Room staff for their hard work to make events special for the children.

Children In Need Merchandise and Raffle

We are supporting the annual Children In Need appeal and on Friday 14th November all children are invited to come to school in non uniform. Donations for the non uniform day are via Parent Pay.

We are also selling merchandise and holding a Pudsey Bear raffle during the week of the 10th November. Please see the letter, which we will issue on Monday 3rd November.

Road Closure

Please note that Affinity Water will be carrying out works to Bury Avenue on Monday 27th October. Children attending Mr Quinn's club will need to walk with you along Bury Avenue as there will be no access for vehicles.

Star Write

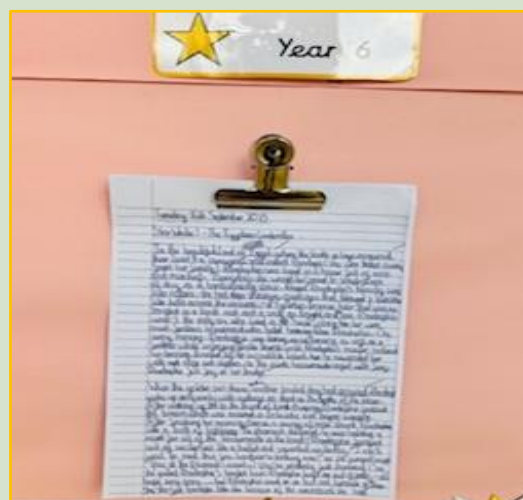

As part of our school priority to improve Writing across the school we are now part of the I Am A Clever Writer programme. This programme is designed to support all children to make rapid progress in their writing.

During a week of writing lessons, children will be taught a writing skill that they practice and this is then embedded during their week of learning.

Then on Friday it is time for the Star Write. This is a weekly opportunity for children to produce a high quality piece of writing, which included the skills they have been learning.

In order to celebrate the children's writing we have a new display out side the Lower Hall and one child per year group will be selected each week to have their work displayed on the board. Mrs Kelly will then select one of these displayed pieces per week to include in the newsletter.

Congratulations to Wania in Year 6 who has been chosen this week:

Charville Academy Open Day

Wednesday 26th November 2025
Start Time 10am

Is your child starting Nursery or Reception in 2026 or 2027?
If so, please come along to our Open Morning on Wednesday 26th November 2025.
You will have the opportunity to meet the Headteacher and Early Years staff as well as see our school. We are currently over subscribed and have a waiting list in Reception and Year 1 so we encourage you to apply early for September 2026.

'Pupils' learning across all subjects is enriched through reading non-fiction texts selected by leaders that are specifically relevant to what pupils are studying. Leaders have taken care to reflect the diversity of backgrounds represented by pupils and their families in the school's community.' **Ofsted May 2023**

Half Term Fun In Hillingdon

Do Something This Half Term (October 2025) | Targeted Team - Holiday Offer

The Hillingdon Youth Offer's Targeted Team is offering a fun-filled programme during this half-term school holiday for the enjoyment and growth of children and young people in Hillingdon. Across the action-packed days, expect activities ranging from exploring new/building on existing skills, indoor adventure activities, coding, creative arts, sports to cooking all aimed at fostering fun, creativity, teamwork skills and improved well-being. This is a fantastic opportunity for our young residents to learn new skills, make friends, and create lasting memories.
