

# Weekly Newsletter

6th February 2026

Welcome to this week's newsletter.

This week's assembly was based on the Rugby Six Nations tournament and through this we were able to teach the values of honesty and integrity and align this to how you are required to behave when you represent your country.

Thank you to those that have come forward as Reading Volunteers. If you do have any time and would like to support the school by hearing children read that would be very much appreciated. Training will be given to all that are able to help in this way. Please email [office@charvilleacademy.org](mailto:office@charvilleacademy.org) if you are able to help.

We currently have vacancies on our Governing Board and are looking for one parent governor and community governors. If you are a parent and you are interested please contact the school directly and we will get back to you, If you know of anyone in the local community, that is not a parent, but is interested in supporting a school in this way please pass on the office email address.

In order to continue to support the safe dismissal of all children, please ensure that you make your child's class teacher aware of any planned changes to who is collecting your child. If the change is made during the school day please call the school by no later than 2:30.

We currently have a number of children dropped off and collected by school transport. Please do not bring your vehicle to the school gates and request access to the car park unless this has been approved as this is causing congestion at the gates.

Mrs Kelly  
Headteacher
