

Weekly Newsletter

6th March 2026

Welcome to this week's newsletter.

On Monday morning KS2 were treated to a concert from the London Mozart Players during assembly. This was an opportunity for children to understand the positive impact music can have on their mood and mental health. Year 4 then spent the day with the musicians composing their own music.

On Wednesday we welcomed all the Governors into school for the day to carry out their annual visit to lessons. It was very useful for the Governors to be able to spend time with the children and staff and I thank them for giving up their time as they are all volunteers. We currently still have a vacancy for a Community Governor, if you know anyone who may be interested please ask them to email office@charvilleacademy.org

This is another reminder to ask you to make sure you are regularly checking your Arbor App. This is now our main form of communication and all letters are issued in Arbor.

Parents' Evening, which will be held in school on the 25th March, will go live on Arbor on the 11th March at 7pm and it will close on the 24th March At 2:30pm. This is the only way to book an appointment and Appointments will not be available on alternative days.

I would like to say a huge thank you and farewell to our Catering Manager, Ms Bennett who has retired from her role. We currently have a vacancy for a Catering Manager and there is more information further on in this newsletter.

Coming soon...

PTA School Disco

The PTA school disco will be held for Reception, KS1 and KS2 on Friday 13th March. This event is always very popular so please remember if you do wish to purchase a ticket for you child; you need to do so by logging into Arbor.

The event is now open on Arbor and will close at 1pm on the 10th March. Please note that once the event has closed it cannot be reopened and no other tickets can be sold.

Job Vacancy

We currently have a vacancy for a Catering Manager. Please click the link below to view the advert and apply.

World Book Day

This Thursday was a wonderful opportunity for the children to celebrate World Book Day. The day gave everyone the chance to showcase their love of reading, whether by dressing up as their favourite characters or by taking part in a range of exciting activities. Throughout the day, the children enjoyed designing bookmarks, participating in quizzes, and creating alternative book covers. In addition, each class received a visit from a different teacher from around the school. During these visits the children were read two books. One was chosen by the visiting teacher and the other was selected by the class Reading Ambassador. It was lovely to see the children so engaged in story time with a different adult. World Book Day tokens have been sent home with your child. These entitle you to £1 off a book or the opportunity to receive one of the official World Book Day titles for free.

PGL 2027

If your child is currently in Year 5 and you would like them to attend the Year 6 PGL residential trip please pay your deposit via Arbor by no later than Friday 20th March.

If you require any information regarding this please email office@charvilleacademy.org and a staff member will get back to you.

London Mozart Players

We were extremely lucky this week to receive a visit from the London Mozart Players. The visit was funded by Primary Arts and we were really grateful to be one of the selected schools. Staff received after-school training on ways to include Music across the curriculum, which included staff holding a beat and singing! On

Monday, all of KS2, received a special performance from the London Mozart Players. Children were captivated listening to string instruments playing classical music, modern hits and film scores. The rest of the day involved Year 4 having workshops where they created their own lyrics to write a song, played a range of music-based games and thoroughly enjoyed themselves!

Year 5 Science Workshop

On Tuesday, the Year 5 children participated in an engaging Science workshop that truly sparked their curiosity about energy. They delved into the concepts of Net Zero, exploring both renewable and non-renewable sources of energy. The highlight of the day was when the children built their own wind turbines using recyclable materials, showcasing their creativity and understanding of sustainable practices.

To further encourage their innovative thinking, the children have been tasked with creating their own projects aimed at reducing carbon emissions. It's wonderful to see the children so enthusiastic about making a positive impact on our planet!

Basketball

On Friday we attended the Hillingdon basketball competition at Uxbridge College. With our two teams of young stars we faced very strong and physical opponents from across the borough.

We performed very well and came away with many victories! Our Competitive team qualified for the 'Plate' final but narrowly missed out 1-0 to Sacred Heart, a tremendous Runners-Up position, well done to all that took part!

Netball

On Thursday we took part in the North Hayes Netball Competition.

Our young stars performed brilliantly as they came out as 7-0 & 3-1 winners versus Guru Nanak & Hayes Park. Against a strong Grange Park team we narrowly missed out losing 2-1. Well done to all our players!

I Am A Clever Writer

Congratulations to Lily in Year 2 whose work has been displayed on our I Am A Clever Writer board this week.

When the boy opened the door he was surprised because there was a cute, shy penguin.

Was the penguin lost or did the penguin want a friend?

When it was right time the boy went to the boat and found a piece but they weren't missing a penguin.

The next morning the boy looked in a book to see if the penguin was from the North Pole or the South Pole.

When they set off to take the penguin back home suddenly there was a big, loud storm. He was scary.

When they arrived at the Sea Pole the boy was so sure if he should or shouldn't leave the penguin.

Friday 27th February 2026

KS2 Star Writer

I AM A CLEVER WRITER

LO: To retell a story using the conjunction 'or'.

Success Criteria

- I can use correct letter formation.
- I can use capital letters.
- I can use the present / past tense correctly.
- I can use a variety of line marks to begin a sentence.
- I can use a full stop to end a sentence.
- I can use adjectives to create separated noun phrases.
- I can use an exclamation mark at the end of an exciting sentence.
- I can use question words and question marks to write question sentences.
- I can use the conjunction 'and' to write compound sentences.
- I can use the conjunction 'because' to join simple sentences.
- I can use an apostrophe for contracted words.
- I can use commas to list nouns.
- I can use the conjunction 'that' to join sentences.
- I can use imperative verbs in a command sentence.
