

Weekly Newsletter

13th March 2026

Welcome to this week's newsletter.

This week has been Science Week in school and an opportunity for all the children to understand the impact the world of Science has on our daily lives. During assembly on Monday we shared the story of Ada Twist, the Scientist, which tells the story of a child who develops a very early interest in all aspects of Science.

On Wednesday, after school, we held a cake sale for Young Carers and are delighted to announce that, including the raffle we raised £436.00, which will all be donated to Young Carers. I would like to say a particular thank you to the children in Year 6 that wanted to support this event.

This afternoon Reception welcomed Mums, Grandmothers and other special people in their lives to celebrate Mother's Day. The children performed a short assembly and then spent time carrying out activities with their adult.

Please remember that the Parents' Evening appointments for the 25th March are now live on Arbor. Appointments can only be made for this date. We are aware that there is an issue with some Arbor emails going directly into Junk Mail; thank you for making us aware and we are addressing this.

PGL 2027

If your child is currently in Year 5 and you would like them to attend the Year 6 PGL residential trip please pay your deposit via Arbor by no later than Friday 20th March. We currently do not have sufficient uptake and may have to consider cancelling this residential trip.

If you require any information regarding this please email office@charvilleacademy.org and a staff member will get back to you.

Football

04/03/26 Charville 7 vs 0 Belmore

A slightly one sided away fixture today, as we comfortably put 7 past our opponents without reply. Some very good individual performances by our young stars.

11/03/26 Charville 5 vs 0 Yeading

Our first home game since October against a strong, organised Yeading team. We were not our usual selves as we were not firing on all cylinders today, but still an impressive win, well done to all our players!

I Am A Clever Writer

Congratulations to Sajda in Year 3 whose work has been displayed on our I Am A Clever Writer board this week.

In a world filled with the sounds of metal clanking, children crying and screams of despair there lived a boy called Henry. He was a young boy facing the harsh reality of the world whilst dreaming to break free from the chains of agony. One unfortunate day, Henry was torn apart from his family in front of his eyes. His bleeding heart was struck by lightning. His blood boiled. His intense thoughts of freedom wrapped around him, a warm blanket of hope. Henry made a daring decision he would go into a He bar and mail himself to Philadelphia (a place with no slavery).

Henry dived into the coniferous wood. His heart pounded heavily and his neck ached painfully. Whilst Henry was trapped in the small box, he could hear leaves rustling, whoosh, whoosh and the violent waves crashing on crash, crash, crash. Right above him he heard a curious voice ask "I wonder what's in this box?"
