

Weekly Newsletter

End of term - 27th March 2026

Welcome to this week's newsletter.

This week began with assembly based on the Christian festival of Easter. The children were able to recall so many aspects of the Easter Story and explain the significance for Christians. I would like to take this opportunity to wish all those that are celebrating a very Happy Easter.

Today we said farewell to Miss Nieto Chorro in Nursery. We wish her all the very best in her new school and thank her for her work in Nursery.

This week has been a busy week and there is more information in the main body of the newsletter regarding all events.

Thank you to all that attended Parents' Evening on Wednesday. This was an opportunity to learn about your child's progress and attendance and discuss what can be done to further support your child's learning.

I would like to take this opportunity to remind all parents and carers that school reopens on the 13th April. Our year to date attendance is currently negatively affected by families that travel in the holiday and sometimes don't return until after term has restarted. With this in mind please do not book any summer travel that begins before we close on the 17th July.

I would like to say a huge thank you to all our families that are registered for Easy Fundraising. Since September we have received over £100 of income through this. If you have not registered for this, please do so by following this link:

Year 5 Visit to Oak Wood

We are delighted to share that our Year 5 children recently enjoyed a fantastic visit to Oak Wood Secondary School, where they watched a vibrant performance of the musical *Legally Blonde*. The children were captivated by the dazzling costumes and impressive acting, which truly brought the story to life. It was a wonderful opportunity for them to experience the arts in a lively setting, and we believe it has sparked their creativity and enthusiasm for theatre.

Arbor: Your Most Frequently Asked Questions and Answers

Why am I not receiving SMS's from the school?

We no longer send SMS messages. All communications are now sent through Arbor. Please make sure you have enabled [Push Notifications](#) for the Arbor App.

I have forgotten my password, what shall I do?

Click forgotten password on the log-in page, follow the reset instructions.

How can I check what trips and other items I have paid for on Arbor?

Log in to your app > Click on the Quick Action Icon (see below) > Scroll down to Invoices > Under Account you can filter to Trips, School Shop & Meals.

Parking

We have recently had complaints from the residents of Bury Avenue as parents and carers are parking across driveways and in front of garages to drop off and collect their children.

On occasions this has prevented residents from being able to move their cars to get to work.

Please do not park across people's driveways or in front of their garages.

Hillingdon Rugby Tournament

On Monday we took part in the Hillingdon Tag Rugby Finals in Uxbridge. The standard was very high, very physical and very competitive.

Our young athletes stood up to the challenge with outstanding performances and came away with the tournament win!

This makes two consecutive Tag Rugby tournament successes as we won this event in 2024 when it was last held. Massive congratulations to all our players!

Swimming Gala

On Friday evening we attended the annual Hayes & Harlington Swimming Gala at Botwell pool. With some amazing performances from our young stars we achieved a very close 2nd place overall in the A team competition and 3rd place in the B team category!

Awards won on the night; 1 Bronze medal, 6 Silver medals and 3 individual Gold medals and we retained the Freestyle Relay Gold that we won last year!

Boys Breaststroke - 1st place - Oliver

Girls Breaststroke - 1st place - Amelia

Girls Backstroke - 1st place - Eva

Freestyle Relay Gold - 1st place - Sebastian - Khloe - Amelia

Year 1 Locomotive Trip

This week, Year 1 visited the Hayes and Harlington Locomotive Society as part of their learning about transportation. The children behaved exceptionally well, showing great responsibility and respect while travelling by public transport.

On arrival, they listened carefully to the volunteers, who explained how the model trains are built and how they work. The children enjoyed a pleasant walk around the site, where they learned about railway signals, tracks, and how the trains are operated.

A highlight of the visit was the opportunity to ride on miniature coal-powered trains along the tracks.

The children had a fantastic time and made us all very proud with their thoughtful questions and the way they represented both themselves and Charville.
