Remembering Miss Bristow

Miss Bristow sadly passed away in the summer holidays but she leaves a lasting impression on all that knew her.

In order to remember Miss Bristow we will be having a pink day in school on Friday 26th September.

On this day children will be able to come to school in non uniform with a touch of pink as this was Miss Bristow's favourite colour. We will asking for a minimum donation of £1 per child, on ParentPay.

The money raised will be used to help support how best to remember Miss Bristow's life and a donation will be made to the charities of the family's choice

At the end of the day will we have a pink themed cake sale on the playground. Please send all donations of pink themed cakes into school by Thursday 25th September and we will only be accepting cash at the sale.

Thank you in advance for your support.

Well done to 6B and 6D who got above 98%

Attendance Expectations

Regular school attendance is essential for your child's academic progress, confidence, and overall wellbeing. The school attendance target is 97% and above. Parents/carers and pupils have an important part to play in meeting this target. We kindly ask for your support in ensuring that your child attends school every day, arrives on time, and is ready to learn.

Absences should only occur when absolutely necessary, such as in cases of illness. If your child is unable to attend, please inform the school as soon as possible, providing a clear reason for their absence.

Frequent or unexplained absences can have a significant impact on learning and may be followed up by the school. Our goal is to work in partnership with families to support every child in achieving their full potential.

We do not authorise term-time holidays under any circumstances. Please check the term dates [here](#) prior to booking a holiday.
