

Weekly Newsletter

24th April 2026

Welcome to this week's newsletter.

Parents of children who are due to start in Reception in September 2026 have until 30th April to accept the school their child has been offered. Any parents that applied late will have their applications considered after this date.

We currently have spaces for children starting Nursery in September. If this applies to you or people that you may know, please ask them to contact office@charvilleacademy.org as Nursery admissions are managed by the school.

This week after school clubs began and it was great to see so many children able to take up a club this term. Club staff will be closely monitoring attendance and this will form part of our review of free clubs for the future. It is very important that if you have signed your child up for a free space that they attend.

Children in Year 6 will sit their statutory end of KS2 assessments (SATs), during the week of the 11th May. Participation and attendance is mandatory so please ensure your child is on time and in school. Free breakfast will be provided from 8am for all children in Year 6.

May half term is the week of 25th – 29th May. School will close at normal time on Friday 22nd May and reopen on Monday 1st June. If you are going away please ensure that children are not travelling during term time as we do not authorise term time holidays.

We wish all the children and accompanying adults taking part in tomorrow's Mini London Marathon all the best. Thank you to the staff that are also attending to ensure this event is possible.

Dear Diary,

As I sit down to reflect on my beloved childhood, I still can't forget the moments of segregation and slavery that made people feel harassed. My grandparents would always tell me to fight for what's right. I had realised that if I listen to those words, I can make people speak up for themselves! If I keep on listening to others continuously, then our life would be easier.

The day I got sat on that bus, I could hear the faint sounds of the white man scowl to me. Get out before I bite you. He said with no hesitation. No, this is my seat. I said with fury. He suddenly threatens to call the police on me. "I'm calling the police!" My brain filled with confusion like a whirlpool.

Determined to change the world I have began to be responsible for many rallies and meetings. I shall let people have their own dignity without forcing people to do what they don't want. Freedom! We all shout like the chirping seagulls. Robot was near a blinking star hiding beside the moon.
