1st May 2026

Welcome to this week's newsletter.

I would like to start by saying thank you to those that have already sponsored the staff who taking part in Race for Life in loving memory of Miss Bristow. If you would like to donate please follow this link; all money raised goes straight to Cancer Research:

Well done to the 25 children and the accompanying adults who took part in the Mini London marathon on Saturday. Please see the rest of the newsletter for more information.

On Tuesday the Local Authority visited our Specialist Resource Provision (SRP) for children with Autism. This visit was an opportunity for them to carry out a full review of our provision and to listen to views of parents via the survey that was distributed. The visit was very successful and I would like to take this opportunity to thank all the SRP staff for their commitment to making sure that our provision continues to be high quality.

If your child is in Year 6 and is attending our PGL residential trip in June, please attend the parent meeting in the Lower Hall at 6pm on the 6<sup>th</sup> May. Your child can come along if you wish them to.

Please note that Monday 4<sup>th</sup> May is a Bank Holiday so school will be closed on this day. All children will return to school on Tuesday 5<sup>th</sup> May. Enjoy the bank holiday weekend.

## Mini London Marathon

On Saturday it was time for the Mini London Marathon. This annual event has become part of our sporting calendar and I would like to begin by thanking the staff that organised this and those that went along on Saturday for making this possible.

25 children participated and all completed the course. Well done to all involved; they all received a medal for their achievements.

## CONGRATULATIONS

We are thrilled to share the fantastic news that Arush has reached the final stage of the NetZero Project, initiated by Atkins Realis STEM company. As part of his final assignment, Arush presented his project to a panel of judges, and he did so with flying colours.

A huge well done to Arush for becoming one of the finalists in this incredibly interesting and educational project. We are so proud of your achievement.

## CURRICULUM BOOKS / HOME LEARNING LETTERS

The curriculum booklets for the Summer term and the Home Learning Policy are on the website. Please follow the links to access them:-

## Payment For Trips

We have looked at the income received from trips and visits so far this year and without exception every trip and visit has run at a loss. This means that in order for these opportunities to go ahead the unreceived income from parental contributions has to be paid by the school. Unfortunately this is not sustainable. These visits are in addition to the curriculum and add significant value to the children's learning. We rely on your voluntary contributions to make these possible.

In order to ensure that opportunities for children can continue we are going to have to limit the number of trips and visits we offer in the future.
