

Weekly Newsletter

15th May 2026

Welcome to this week's newsletter.

I would like to start by saying thank you to those that have already sponsored the staff who taking part in Race for Life in loving memory of Miss Bristow. If you would like to donate please follow this link; all money raised goes straight to Cancer Research:

This week was SATs week in Year 6 and I would like to thank all the children for their hard work throughout the week. They were conscientious and tried their very best. Results are due in July and parents/ carers will be informed.

It is almost time for the PTA Fun Day, which is annual event hosted in Summer Term by the PTA. The letter was issued last week and details how to purchase a wrist band via Arbor. Please note that the inflatables will only be available to the children with wrist bands. The wrist bands are available to buy until the end of the school day on Monday 18th. Once this has closed on Arbor we will not be able to sell any more bands. Please join us after school on Wednesday 20th for the fun afternoon.

Please ensure that if you drive to school to drop off and pick up that you:

Do not park in the Children's Centre.

Do not stop on Bury Avenue to let your child out or into the vehicle.

Park in the Community Centre Car Park.

Do not park across resident's driveways.

This week we received complaints from residents regarding parents dropping off and collecting children.

Headteacher

Electric Scooters and Bikes

Electric scooters and bikes are not permitted on school premises. If you travel on one of these please ensure they are parked up off school site for collection at the end of the day.

Walk to School Week

Our school is taking part in Walk to School Week from Monday 18th- Friday 22nd May.

Each day pupils will learn about the important reasons to walk or wheel and its benefits for individuals, communities and the environment. By walking, cycling or scooting to school you're helping our school reduce congestion and pollution around the school gates and encouraging healthy habits. Walking, wheeling, scooting and cycling all count. If you live far away from school and need to drive or take public transport, you could even try parking the car or hopping off the bus ten minutes away and walking the rest of the journey

I Am A Clever Writer

The Infinite Water Cycle

Have you ever wondered where the water goes once it's rained?

Water is always moving around our beautiful precious world in a process called the Water Cycle. It's called a cycle because the process is unbroken. Without humans noticing, it happens every day! The Water

a water source, though, it can land on the ground *as* this helps plants grow. This is the last stage. Then the process starts again.

Performing Arts Summer Workshops at the Compass Theatre - now taking bookings!

Spend your summer holidays onstage at our popular musical theatre workshops for young people. Rehearse songs, drama scenes and dance routines from hit West End and Broadway musicals ready for two performances onstage on the Friday at 1:30 pm & 3 pm. Workshops run 10am-4pm each day and each week features different musicals - perfect for those eager stars who want to join us at both workshop weeks!

•5 day workshops (7-16yrs): 27-31 July / 17-21 Aug

•2 day workshops (4-6yrs): 30 & 31 July / 20 & 21 Aug

We can't wait for another summer of musical theatre creativity and your child's invited, so secure their place today.
