Other information:

With over 23 years of teaching experience at Charville Academy, starting as a supply teacher in 2001 before becoming permanent in 2002 and retiring in July 2025, I bring an understanding of how school's work and what matters most for the children's learning and well-being.

I have a particular passion for supporting children's progress in reading and phonics — having worked as a Reading Recovery teacher, I found it especially rewarding to see pupils gain confidence and become independent readers — and I also take a keen interest in Early Maths.

Since retiring, I work as a supply teacher, volunteer at a local historic site and the Hillingdon Museum, travel, visit family overseas, and I enjoy handwork and reading. I am pleased to be able to use my knowledge and experience to support the school, its staff and pupils to achieve their very best.
