VALUES

March is the value of Self-Belief and we are working with all the children to help them understand that they need to believe they CAN do it, if they work and try hard!

Review of the School.

This week the school had a 2 day review as part of our work with a national organisation: Challenge Partners.

The review looked at School Improvement, Learning and Teaching and Pupil Outcomes.

The team of reviewers observed lessons, spoke to children, looked at the children's books, met with senior staff and other staff members to discuss school priorities and the progress and attainment of the children.

A full report will be sent to school in due course and we are delighted to report that the feedback was very positive. I would like to thank all the children for being GREAT ambassadors and the staff for their continued commitment and support.

I look forward to sharing the headlines of the report when it is published.

Mrs Nicola Kelly

COFFEE MORNING

Many thanks to all the parents/carers who attended coffee morning where we were thoroughly entertained by the wonderful musicians.

It was also lovely to see the feedback from the parents/carers who have undertaken the GROW project.

Many thanks to Mrs Aitken-Roy for leading the children.

Next week we will be focusing on Science as it is our whole school science week.

RECEPTION MOTHER'S DAY AFTERNOON

On Wednesday afternoon, Reception children invited their mums to come into school and spend time completing art and craft activities to celebrate Mother's Day.

The children were so excited to have special time with their mums. They made cards, cut out and decorated bouquets of flowers and iced biscuits. When the mums left they were given a daffodil to show how much they are loved.

Thank you to everyone who attended.
