

Weekly Newsletter

3rd July 2026

Welcome to this week's newsletter.

This week the weather remained warm but considerably cooler than last week. 15 hour Nursery children returned to school and it was good to see them.

This week began with the Charville Library staff visiting to promote the borough's Summer Reading Challenge. Please encourage your child to participate as the initiative is designed to support children with their reading over the long summer holiday.

This time of year is particularly busy so please ensure you refer to the letters issued and newsletters rather than calling the school office. We are aware that some families are still not receiving their Arbor emails but we can also see a number of families are receiving the communications but not reading them. This is causing a spike in calls to the office, which is congesting the phone lines. Please activate your Arbor notifications so that you can read all the information.

On Monday we held a Teddy Bear's for children starting Reception in September. This is part of our transition work to support children to be familiar with school before term starts. In the afternoon we took part in District Sports. Please read on for more information.

On Tuesday Year 1 visited London Zoo; please see the newsletter for more information.

Please note that term finishes on the 17th July. We ask that no family holidays are booked prior to the end of term.

Mrs Kelly
Headteacher

Coming soon...

London Zoo

Year 1 had a wonderful day exploring London Zoo as part of their learning about animals in Science. The children enjoyed seeing a wide range of animals, including lions, giraffes, penguins and monkeys, while learning about how they live and are cared for.

The children represented our school brilliantly, showing excellent behaviour, curiosity and enthusiasm throughout the day. We are very proud of them and would like to thank our staff for helping to make the trip such a memorable experience!

Australia Day in Year 2

Year 2 had a fantastic Australia-themed day filled with creativity and culture. Miss Lawrence delivered an exciting presentation about Australia's history, geography and traditions. The children were extremely engaged and curious.

They also designed their own T-shirts inspired by Aboriginal art work. Afterwards, they learnt a lively bush dance, showing brilliant teamwork, energy and enthusiasm.

District Sports

On Monday we attended the annual Hayes & Harlington District Sports at Hillingdon Athletics Track. Some great performances from all our team.

Yr6 Girls 400m Champion - Khloe
Yr6 Boys 400m Champion - Micah
Yr5 Boys 400m Champion - Andre
Yr5 Boys 80m Champion - Oliver
Yr6 Boys 4x100m Relay - 2nd

Overall we came a very commendable 3rd place, well done everyone!

Farewell and Thank You

The end of the academic year is fast approaching and this often means we will be saying thank you and farewell to staff.

This year, Mr Wilkinson, our School Business Manager will be retiring. We would like to thank him for his expertise, commitment and hard work balancing a school budget year on year, despite the significant financial challenges schools face.

We will also be saying thank you and goodbye to Miss Charles who has been at Charville for 11 years. We wish her all the best for the future and thank her for her years of hard work and dedication.

Finally we will be saying farewell to Mrs Trotter, currently our longest serving member of staff. Mrs Trotter will be retiring after 28 years at our school. Thank you Mrs Trotter for your decades of service, support and commitment.

Oakwood Taster Day

On Tuesday, our Year 5 children enjoyed an exciting visit to Oak Wood School, where they had a wonderful time exploring the secondary school and taking part in a range of engaging lessons. In Science, they explored the concept of forces by designing and testing their own parachutes. During Art and D.T., they created detailed observational drawings and explored the use of watercolours.

In PE, the children worked together in a fun team game that combined football, netball and basketball skills. Throughout the day, the children represented our school brilliantly, demonstrating excellent behaviour, outstanding manners and a high level of respect. The Year 7 teachers were full of praise for the children and commented on their fantastic manners, the high level of respect they showed, and what a pleasure they were to work with.

I Am A Clever Writer

Congratulations to Ambar in 4D, whose writing has been chosen for the board this week.

Friday 4th June 2026

** Star Write ** CLEVER WRITER	
I.O: To write a retelling using fronted adverbials for when and how with a comma.	
Success Criteria	
Letters are formed correctly and sit on the line	
Ambitious vocabulary	
Previous Writing skills:	Skill Focus:
<ul style="list-style-type: none"> To use appropriate verb in the correct tense. To use punctuation appropriately including speech (including a comma if reporting clause is at the start). To spell words with a root word spelling change. To use figurative language (Metaphors, Similes, Personification) 	<ul style="list-style-type: none"> To fronted adverbials for when and how with a comma (time and manner) To use ambitious verbs to describe.

One early scorching morning, there lived a clan of meerkats living in a comfortable burrow, snugly cozy. One of the meerkats had woken up until it had realized that it had a vital job that is, to go check on the fruit. Bravely, it peeked out of its burrow and saw it then bolted. It was hanging on a beautiful twisted tree like a magical diamond on a silk pillow case. As soon as the others woke up, they were full of joy as they saw the dragonfruit.

When they went back to there

burrow, they heard a huge thump. Bravely, one meerkat glared from there home to see a tremendously huge vulture staring at the fruit. Suddenly, the vulture swooped down and violently took the dragonfruit. As soon as the meerkats saw that they bolted towards the vulture. One leapt onto the vulture's back, but it just kicked him off. The they all grabbed onto the each others feet making a chain, but the vulture flew even higher into the endless blue sky.

Once they were in, the sky they tried to get the dragonfruit. Then the vulture dropped it. The meerkats passed the fruit side to side.

Key Dates Summer Term
