

Weekly Newsletter

10th July 2026

Welcome to this week's newsletter.

This week is the penultimate week of term and as a result it has been a very busy week.

On Tuesday Year 6 children visited their secondary schools and all other children spent the morning with their class teacher for September. During the morning I held the Reception Induction meeting and discussed starting school with the families. We look forward to welcoming the children when we reopen after the summer.

On Thursday and Friday it was time for the Year 6 production. I would like to say a huge well done to all the children involved for their great performances. I would also like to thank the Year 6 team and Mrs Wilkinson for supporting the children with all the production preparations.

Next week is the final week of the academic year and school will close at 1:30 on 17th July. Please note there will be no afternoon Nursery on that day.

On Monday I issued a parent letter regarding the heat wave we have experienced again this week. Thank you again for your support as the temperatures rise.

As the end of term approaches please remember there is no expectation to provide end of term gifts for staff. If you do choose to do this please note that staff are not permitted to accept vouchers or cash.

National Gallery

Year 4 visited The National Gallery and took part in a colour workshop where they were able to apply their art skills. The children were able to look at a range of artwork and used materials to mix their own colours. They also used colour to re-create shapes and used their observation skills to be accurate. In the afternoon, they were lucky enough to see some of Vincent Van Gogh's original art work which linked to their learning in the art curriculum. The children had lots of fun exploring the artwork!

Key Dates Summer Term

16th July – Year 6 Leavers Assembly & Prom

17th July – End of summer term, school closes at 1.30pm

Arbor App Update – iOS (iPhone) In-App Notifications

We would like to make parents aware of a recent issue that affected in-app notifications for **iPhone users**.

To ensure you continue to receive notifications from the school, please update the Arbor App to the latest version (Version 33 for iOS) via the App Store.

Please click on the link below for further guidance on updating your app and how you should see the In-App notifications appear on your iPhone.
