

Weekly Newsletter

18th September 2026

Welcome to this week's newsletter.

Our main school priorities this year can be summarised as follows:

- School Curriculum
- Raising standards in Reading
- Improving whole school attendance

All Monday morning assemblies will be focussed on the values and the School Character Curriculum. The values for the month of September are Independence and Dedication.

Reading is a key priority and we ask that you read to and with your child for at least 10 minutes per day. All children have been issued with their reading books, based on their current attainment and we ask that these books are shared at home. If you need any support with helping you child with their reading please speak to your child's class teacher, who will be happy to help.

School attendance is statutory and we ask that all parents and carers work alongside us to maintain and where needed, improve school attendance. Please note that we do not authorise any term time holidays as this means valuable learning time is lost. Mrs Costello is our recently appointed Attendance and Welfare Lead and is able to support families that have any questions or need support. Please contact her directly via attendance@charvilleacademy.org

This week we welcomed Miss Lake to our Nursery staff team. We wish her all the very best in her new role.

Clubs started this week. Please note the pedestrian gate will not open until 4:10pm for collection.

Late Collections

Please see the parent letter issued on Thursday 10th September, which explains what we have now put in place following an increase last academic year in the number of children being regularly collected after the gates have closed at the end of the school day.

Please note that will take effect from Monday 21st September to ensure all parents and carers have had time to read the letter.

Prompt collection at the end of the day supports all staff to ensure that children are dismissed collectively and safely.

We will no longer be able to allow adults collecting late, onsite at the end of the day as this is compromising the safe loading and departure of school transport.

Please read the letter in full as it does set out how the process is changing and how this will be managed.

Thank you in advance for your support.
