Dear Parents/Carers

September 2026

Dear Reception Parents,

We are delighted to invite you to our Reception Phonics Workshop on Tuesday 29th September at 2:30pm.

Please meet at the main reception at 2:30pm, where we will welcome you and guide you to the workshop.

This workshop is a wonderful opportunity to learn more about how we teach phonics in Reception and, most importantly, how you can support your child's reading and phonics development at home. We strongly encourage all parents to attend, as the strategies and approaches shared during the session will help you feel confident in supporting your child's learning.

During the workshop, we will:

- * Explain how phonics is taught in Reception.
- * Introduce you to the sounds and terminology your child will be learning.
- * Demonstrate how we blend sounds together to read words.
- * Show you how to practise phonics at home in a fun and supportive way.
- * Share practical tips and activities that you can use with your child.
- * Give you an opportunity to see phonics resources and ask any questions you may have.

Your involvement plays an important role in helping your child develop confidence and enjoyment in reading. By attending, you will gain a better understanding of what your child is learning in school and how you can reinforce these skills at home.

We look forward to welcoming you all and sharing this important part of your child's learning journey with you.

Your sincerely

Miss Walker
Reception Class Teacher
