Thursday 3rd September 2026

Dear Parent or Carer,

After School Clubs Autumn Term 2026

During the Autumn term, we will be offering most clubs at a reduced fee of £5 for the Term. This cost will go towards running the clubs and for resources used across our club provision. We have made the decision to continue to keep the cost of clubs at a minimum, to support more children to access our club provision

Clubs will still need to be booked through Arbor. Bookings will open on **Monday 7th September at 7:00pm.** Please note that clubs will close for bookings on **Thursday 10th September at 7pm.** Spaces are limited and will be allocated on a first come, first served basis, so we recommend booking as soon as possible to avoid disappointment.

Clubs will commence the week beginning **Monday 14th September 2026** and will run for **12 weeks, apart from Friday clubs which will run for 11 weeks (23rd October is a training day) and Wednesday Clubs which will run for 10 weeks (7th October Parent's Evening and 2nd December PTA Winter Wonderland)** until the week beginning **7th December 2026**. After school clubs will run from **3.15pm-4.15pm**. Children's behaviour during the club is expected to meet the school's behaviour expectations at all times. If a child's behaviour does not meet these expectations, they may no longer be able to attend the club. Attendance will also be monitored regularly.

Please note the clubs that your child/children have shown an interest in attending may not run due to the lack of attendees required for the running of the club. You will be notified via Arbor if it is not going ahead.

The following clubs are managed by external providers, bookings payments and any queries regarding these clubs should be made directly with the provider. **If you would like to book a space on either of these clubs, please use the links provided within the table below.**

- Be Active – Football and Dodgeball for KS2 pupils.
- Harlequins – Robot Rugby for KS2 pupils.

Please see the table below for the list of clubs, year groups and pricing for each club.

Name of the club and day	Information about the club	Year group	Member of staff	Cost
Monday Robot Rugby 	The world's first coding experience that uses sport to inspire and excite young people about the importance of STEM Education. Sport has the ability to excite and inspire young people, and its reach can extend far beyond simply running around with a ball. Our world-first coding experience offers young people the opportunity to	3,4,5 & 6	Harlequins- External Agency	£6 per session

	learn coding through hands-on play and STEAM activities, using robotics. Bookable using this link: https://eequ.org/book/rugby-robots-charville-academy-with-the-harlequins-foundation-33676			
Monday Board Games	An opportunity for a range of fun, social activities including practical games and board games. This is an opportunity for children to have fun whilst spending time with their friends and learning new skills.	1 and 2	Miss Florey	£5 per Term
Monday Darts	Darts is a welcomed addition to our club's programme. Children will have the opportunity to develop skills in playing darts cooperatively and safely. They will use real darts and a dart board to develop their aim and technique.	5 and 6	Mr Quinn	£5 per Term
Monday Home Learning	Home-learning club allows children to complete their home learning in a supportive and productive environment. It caters to children who are unable to access resources to aid the completion of their work.	1, 2, 3, 4, 5 & 6	Mrs Clarke	Free
Tuesday Performing Arts	Performing arts helps to increase confidence, listening skills, empathy and improve problem solving, this will help your child flourish. Children will be introduced to vocal techniques such as how to warm up the voice, articulation and projection. This will be applied to songs, written scripts and improvisation. The focus of this club is to improve their confidence, clarity of speech, creativity and expression.	1, 2, 3, 4, 5 & 6	Mr Steenburgen	£5 per Term
Tuesday Football	Football is a social sport that brings all children together driving good citizenship. It teaches them to become team players, develops their social skills and has a tremendous impact on self-esteem. Football will help your child develop good life skills and shows them how valuable physical activity is.	1 & 2	Mr Quinn	£5 per Term
Tuesday Football 	Football is a social sport that brings all children together driving good citizenship. It teaches them to become team players, develops their social skills and has a tremendous impact on self-esteem. Football will help your child develop good life skills and shows them how valuable physical activity is. Bookable using this link: https://activities.bookpebble.co.uk/activity/be-active-sports-clubs-ks2-football-club-y3-y6-hayes-aaf7b187-eb68-47c8-972e-c057928e6a18	3, 4, 5 & 6	Be Active-External Agency	£5 per session

Wednesday Singing	Children will have the opportunity to sing a range of songs and develop their vocal skills. Children will have fun singing with their peers and growing in confidence at the same time.	1, 2, 3, 4, 5 & 6	Mr Steenburgen	£5 per Term
Wednesday Minecraft	Minecraft can teach children the fundamentals of programming skills, teamwork, problem-solving, project management, and offers a fantastic environment to foster creativity and “out of the box” thinking. Children will have the opportunity to develop these skills if they enrol.	3,4,5 and 6	Miss Woodstock	£5 per Term
Thursday Cooking	Cooking is a key life skill and this club aims to teach and support your child in learning the importance of this. The club aims to ensure pupils get the opportunity to make delicious yet healthy foods that they can replicate at home with your support and practise the skills that they have learnt.	3, 4, 5 and 6	Miss Dickson	£18 for ingredients
Thursday Arts and Crafts	Art is a fun and creative outlet. It improves fine motor skills and enhances hand-eye coordination. This is a wonderful opportunity for your child to create and develop pieces of artwork whilst exploring their creative side, after school with their friends.	1 and 2	Miss Meades	£5 per Term
Thursday Dodgeball 	Dodgeball is a high-intensity workout. The sport requires a mixture of power, defence and hand-eye coordination. You have to focus on hitting your opponents with the ball while also dodging the balls coming your way. The benefits of dodgeball include improved agility and balance while ducking out of the way of incoming balls, stronger shoulders, back and arm muscles from throwing the ball, increased leg strength from jumping around to avoid the balls and stronger hand-eye coordination as you try to catch the ball or aim at your opponent. Bookable using this link: https://activities.bookpebble.co.uk/activity/be-active-sports-clubs-ks2-dodgeball-club-y3-y6-hayes-2a15ec0c-03e7-432e-ba1a-f5d5eaf83405	3,4,5 & 6	Be Active-External Agency	£5 per session
Friday LEGO	LEGO club is a fun and creative way to introduce pupils to engineering. In this club children will be able to develop their maths, science and literacy skills. It also provides children a unique space to strengthen their social skills.	1 and 2	Miss Newman	Free
Friday Golf	Golf is a great way for children to get excited about being outside and nurture mental, emotional and social skills that will prepare them for life. This sport provides a safe environment for children to be physically active while still challenging them and helping them grow. Golf promotes overall physical fitness by providing fun, low-impact and gentle exercise for children of all ages. It also encourages children to spend more time in the fresh air and sunshine, fostering better physical health.	3,4,5 and 6	Mr Quinn	£5 per Term

Thank you

Mrs L Newbey

Assistant Headteacher
