

Weekly Newsletter

9th October 2026

Welcome to this week's newsletter.

This week began with assembly where we introduced the values of Pride and Precision, which are the values that will guide us through the month of October. Pride is explained as: Demonstrating a feeling of worth in all you do and Precision is defined as being exact and this is linked directly to our learning.

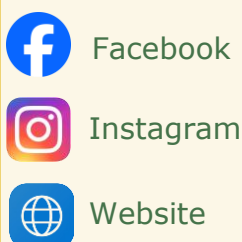

The month of October is also an opportunity to look at the impact of Black History on society. Our curriculum reflects the positive impact black people have had on the United Kingdom and in assembly we also spent time looking at influential black people from history.

Last Friday we took time to welcome back the family of Miss Sarah Bristow to our school. Miss Bristow passed away in August 2025 and our lasting memorial to her is our newly created Art Studio. On Friday we officially opened the studio and it was wonderful to have Miss Bristow's family with us. Sarah's Studio is a bespoke space for children to develop their artistic and creative skills and our lasting memorial to our dear friend and colleague.

Harvest Collection

"From all of us at Hillingdon Foodbank. A big thank you for the harvest donation. It totalled 110.5kg. This will definitely go a long way to support our families locally and provide emergency food to members of the Hillingdon Community."

Late Collections

Please see the parent letter issued on Thursday 10th September, which explains what we have now put in place following an increase last academic year in the number of children being regularly collected after the gates have closed at the end of the school day.

Please note that this took effect on Monday 21st September.

Prompt collection at the end of the day supports all staff to ensure that children are dismissed collectively and safely.

We will no longer be able to allow adults collecting late, onsite at the end of the day as this is compromising the safe loading and departure of school transport.

Please read the letter in full as it does set out how the process is changing and how this will be managed.

Thank you in advance for your support.
