Personal Statement :

I have been a governor for the past eight years and have had the privilege of previously serving as Chair of the Board. My background is in Cancer Research at a London university, and I teach local authority courses ranging from ESOL to Pilates. I am particularly passionate about supporting adults with learning difficulties and disabilities to develop confidence, independence and essential life skills which I look forward to bringing to my role. These experiences have strengthened my leadership, communication and safeguarding skills, alongside my commitment to inclusion. As a governor, I am proud to support Charville Academy in providing a safe, nurturing environment where every child can achieve their potential and thrive.
