Governor Profile

Name : Nicola Kelly

Role : Headteacher

Committees :

- Full Governing Body
- Resources, Audit, Risks and Finance
- Curriculum and Achievement

Personal Statement :

I have been the Headteacher of Charville Academy since 2014 and prior to that my career provided me with a range of opportunities to prepare me for the role of Governor and Headteacher of a stand-alone academy (SAT). I am proud to say that I have been part of the Charville community for 26 years and grew up in the local area. I also a product of the Hillingdon education system and currently contribute to education in Hillingdon as a member of Schools Forum. I am highly committed to Charville Academy and work conscientiously to ensure that the school adapts to the changing needs of the community. In 2014 I launched Values Based Education at Charville and am pleased to say that it continues to underpin our ethos and values based approached to learning and teaching. As a Headteacher and Governor my skillset includes nearly two decades of experience as a senior leader, including over 10 years' experience as the Headteacher of a SAT. I have led the school through three successful Ofsted inspections and continue to drive school improvement and adapt to the changing educational landscape. My vision is for all pupils that attend our school to be supported and inspired towards a love of life long learning based on values that guide their behaviour and support their attainment. I am proud to say that staff retention is high and I lead the team to ensure that we all work collaboratively to continue to improve Charville Academy.
